Synaptics to Present at BMO Technology & Digital Media Conference

SAN JOSE, Calif., Dec. 2, 2014 /PRNewswire/ -- Synaptics, Inc. (Nasdaq: SYNA), a leading developer of human interface solutions, today announced that members of the executive management team will present to the investment community at the BMO Technology & Digital Media Conference on Wednesday, December 10, 2014 at 9:30 a.m. Eastern Time. The conference will be held at the Grand Hyatt in New York, NY.

The presentation may include forward-looking information. An audio webcast of the event will be made available on the "Webcasts & Events" page of Synaptics' Investor Relations website at <http://investor.shareholder.com/synaptics/events.cfm>.

About Synaptics

A leading developer of human interface solutions, which enhance the user experience, Synaptics provides the broadest solutions portfolio in the industry. The portfolio includes Display Driver ICs (DDICs) which drive high-performance displays for smartphones and tablets. The ClearPad[®] family supports touchscreen solutions for devices ranging from entry-level mobile phones to flagship premium smartphones, tablets, and notebook PCs. The TouchPad[™] family, including ClickPad[®] and ForcePad[®], is integrated into the majority of today's notebook PCs. Natural ID[™] fingerprint sensor technology enables authentication and mobile payments for smartphones, tablets, and notebook computers. Synaptics' broad portfolio also includes ThinTouch[®], supporting thin and light keyboard solutions, as well as key technologies for next generation touch-enabled video and display applications.
