Item 1.01. Entry into a Material Definitive Agreement.

On October 1, 2026, Synaptics Incorporated, a Delaware corporation (the “**Company**” or “**Synaptics**”), entered into an Amended and Restated Agreement and Plan of Merger (the “**A&R Merger Agreement**”), by and among the Company, ON Semiconductor Corporation, a Delaware corporation (“**Parent**” or “**onsemi**”), and Sonic Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of Parent (“**Merger Sub**”), which amends and restates in its entirety the previously announced Agreement and Plan of Reorganization, dated as of June 25, 2026, by and among the Company, Merger Sub and Parent and continues to provide, among other things, that subject to the satisfaction or waiver of the conditions set forth therein, Merger Sub will merge with and into the Company (the “**Merger**”), with the Company surviving as an indirect, wholly-owned subsidiary of Parent. Capitalized terms used but not defined herein will have the meanings given to them in the A&R Merger Agreement.

The A&R Merger Agreement was ultimately executed following negotiations arising from the Company receiving an unsolicited, non-binding proposal on September 2, 2026 from a strategic party, referred to as “Party A” in onsemi’s registration statement on Form S-4 (File No. 333-298477) previously filed on August 21, 2026, to acquire all the issued and outstanding shares of Company Common Stock (as defined below). Consistent with its fiduciary duties and in accordance with the terms of the Agreement and Plan of Reorganization, the Company’s Board of Directors (the “**Company Board**”), together with a special committee of independent directors of the Company Board previously formed for convenience and not as a result of any actual or perceived conflict of interest of any member of the Company Board (the “**Special Committee**”), reviewed and considered this unsolicited proposal and, after the Company engaged with the strategic party, determined in good faith, after consultation with the Company’s outside legal counsel and its financial advisor, that the proposal, as revised by the strategic party following engagement with the Company, constituted a “**Superior Proposal**.” Following such determination and further negotiations between onsemi and Synaptics, the Company Board, in good faith, in consultation with its outside legal counsel and financial advisor, and on the recommendation of the Special Committee, subsequently determined that, in light of the proposed terms of the A&R Merger Agreement, the proposal from the strategic party, as revised by the strategic party since its initial September 2 unsolicited proposal, no longer constituted a Superior Proposal, and the Company Board unanimously approved the A&R Merger Agreement, and declared the same advisable and fair to and in the best interests of the Company and its stockholders. The parties subsequently executed the A&R Merger Agreement.

Merger Consideration

Under the A&R Merger Agreement, the Company and Parent have agreed to revise certain terms of their previously announced merger transaction to provide that, subject to the terms and conditions set forth in the A&R Merger Agreement, at the effective time of the Merger (the “**Effective Time**”), by virtue of the Merger, each share of common stock of the Company, \$0.001 par value per share (“**Company Common Stock**”), issued and outstanding immediately before the Effective Time, excluding shares held by the Company, any Company subsidiary, Parent, any Parent subsidiary, or Merger Sub (which shares will be cancelled), as well as any dissenting shares, will be converted into the right to receive \$123 per share in cash, without interest (the “**Merger Consideration**”). Stockholders of the Company who do not vote in favor of adoption of the A&R Merger Agreement and who properly exercise appraisal rights in accordance with the Delaware General Corporation Law (the “**DGCL**”) will not be entitled to receive the Merger Consideration but will instead have such rights as are granted by the DGCL.

Treatment of Company Equity Awards

Pursuant to the A&R Merger Agreement, at the Effective Time:

- Each award of restricted stock units of the Company (each a “**Company RSU**”) that is outstanding and unvested and held by an individual who, as of immediately following the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “**Company Converted RSU**”), will be assumed by Parent and converted into a restricted stock unit award denominated in shares of Parent Common Stock, determined as the product (rounded to the nearest whole number) of (1) the number of shares of Company Common Stock underlying such Company RSU and (2) a ratio (the “**Conversion Ratio**”) equal to the per-share Merger Consideration of \$123.00 divided by the average of the volume-weighted average trading price of Parent Common Stock on Nasdaq over the five consecutive Trading Days ending on the Trading Day that is three Trading Days prior to the Effective Time, and subject to the same terms and conditions as were applicable to such Company RSU immediately before the Effective Time, except as set forth in the A&R Merger Agreement.
-

- Each Company RSU that is outstanding and that (A) is vested but not settled, (B) by its terms becomes vested in connection with the closing of the Merger or (C) is held by a non-employee member of the Company Board (each, a “**Company Accelerated RSU**”), will be cancelled, and such holders will be entitled to receive an amount of the Merger Consideration applicable to shares of Company Common Stock subject to such Company Accelerated RSUs after giving effect to any accumulated dividend equivalent rights, less applicable tax withholdings.
- Each performance stock unit of the Company (each a “**Company PSU**”) that is outstanding and unvested and held by an individual who, as of immediately following the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “**Company Converted PSU**”), will be assumed by Parent and converted into a performance-based stock unit award denominated in shares of Parent Common Stock, determined as the product of (1) the number of shares of Company Common Stock underlying such Company PSU (provided, that, for purposes of determining the applicable number of shares of Company Common Stock that are subject to such Company Converted PSU, the performance conditions for such Company PSU for which such performance period has not yet closed will be deemed satisfied at target level, as determined under the relevant Company Equity Award terms), and (2) the Conversion Ratio, and subject to the same terms and conditions as were applicable to such Company PSU immediately before the Effective Time, except as set forth in the A&R Merger Agreement.
- Each Company PSU that is outstanding and that (A) is vested but not settled, (B) by its terms becomes vested in connection with the closing of the Merger or (C) is held by a non-employee member of the Company Board (each, a “**Company Accelerated PSU**”), will be cancelled, and such holders will be entitled to receive an amount of the Merger Consideration applicable to shares of Company Common Stock subject to such Company Accelerated PSUs determined as if the performance conditions for such Company PSU for which such performance period has not yet closed are satisfied at target level as determined under the relevant Company Equity Award terms and after giving effect to any accumulated dividend equivalent rights, less applicable tax withholdings.
- Each market stock unit of the Company (each, a “**Company MSU**”) that is outstanding and unvested and held by an individual who, as of immediately following the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “**Company Converted MSU**”), will be assumed by Parent and converted into a restricted stock unit award denominated in shares of Parent Common Stock, determined as the product of (1) the number of shares of Company Common Stock underlying such Company MSU, with such number determined based on actual performance of the performance conditions applicable to such Company MSU as of immediately before the Effective Time, as determined under the relevant Company Equity Award terms, and (2) the Conversion Ratio, and subject to the same terms and conditions as were applicable to such Company MSU immediately before the Effective Time, except as set forth in the A&R Merger Agreement.
- Each Company MSU that is outstanding and that (A) is vested but not settled, (B) by its terms becomes vested in connection with the closing of the Merger or (C) is held by a non-employee member of the Company Board (each, a “**Company Accelerated MSU**”), will be cancelled, and such holders will be entitled to receive an amount of the Merger Consideration applicable to shares of Company Common Stock subject to such Company Accelerated MSUs, with such number determined based on actual performance of the performance conditions applicable to such Company MSU as of immediately before the Effective Time, as determined under the relevant Company Equity Award terms, after giving effect to any accumulated dividend equivalent rights, less applicable tax withholdings.

Closing Conditions

The consummation of the Merger is subject to the satisfaction or waiver of certain customary closing conditions, including (1) the accuracy of the respective representations and warranties of the parties in the A&R Merger Agreement (subject to certain materiality qualifiers); (2) compliance by the parties with their respective covenants in the A&R Merger Agreement in all material respects; (3) the absence of a material adverse effect (as defined in the A&R Merger Agreement) with respect to the Company on or after the date of the A&R Merger Agreement that is continuing as of immediately before the closing of the Merger; (4) the adoption of the A&R Merger Agreement by the affirmative vote of the holders of a majority of the issued and outstanding shares of Company Common Stock entitled to vote thereon (the “**Required Company Stockholder Vote**”); (5) the obtaining of all required governmental authorizations under specified antitrust laws and foreign direct investment laws; and (6) the absence of any relevant legal restraint in specified jurisdictions that would prevent, enjoin or make illegal the consummation of the transactions contemplated by the A&R Merger Agreement. Notably, approval of the contemplated transaction with onsemi under the Hart-Scott-Rodino Act has already been obtained.

Additional Covenants

Subject to the terms and conditions of the A&R Merger Agreement, the Company has also agreed to use reasonable best efforts to cooperate with Parent in connection with any debt financing obtained or proposed to be obtained by Parent or its subsidiaries to finance the payment, in whole or in part, of the Merger Consideration, the repayment of certain of the Company's outstanding indebtedness or the payment of any other amounts payable by Parent or Merger Sub under the A&R Merger Agreement or in connection with the transactions contemplated by the A&R Merger Agreement. The transactions contemplated by the A&R Merger Agreement are not subject to any financing condition.

The foregoing description of the A&R Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the A&R Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

Subject to the terms of the A&R Merger Agreement, the representations and warranties set forth in the A&R Merger Agreement were made solely for the benefit of the parties to the A&R Merger Agreement, and (i) should not be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate, (ii) may have been qualified in the A&R Merger Agreement by disclosures that were made to the other parties in accordance with the A&R Merger Agreement, (iii) may apply contractual standards of "materiality" that are different from "materiality" under applicable securities laws, and (iv) were made only as of the dates specified in the A&R Merger Agreement.

ARTICLE I. THE MERGER

1.1 The Merger. (i) Effect on Company Common Stock. Subject to Section 1.5(c), each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than any Cancelled Shares and any Dissenting Shares) shall be converted into the right to receive \$123.00 per share in cash, without interest (the "Merger Consideration"). All shares of Company Common Stock, including all uncertificated shares of Company Common Stock represented by book-entry form ("Company Book-Entry Shares") and each certificate that, immediately prior to the Effective Time, represented any such shares of Company Common Stock (each a "Company Stock Certificate") shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and each applicable holder of such shares of Company Common Stock shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration upon the surrender of such shares of Company Common Stock in accordance with Section 1.7.

(ii) Cancellation of Company Common Stock. Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time that is owned or held in the Company's treasury or by any Company Subsidiary, and each share of Company Common Stock issued and outstanding immediately prior to the Effective Time that is owned by Parent or any Parent Subsidiary (including Merger Sub) immediately prior to the Effective Time, shall be cancelled and shall cease to exist (the "Cancelled Shares"), and no consideration shall be paid or payable in respect thereof.

(b) Treatment of Equity Interests of Merger Sub. Subject to the terms and conditions of this Agreement, at the Effective Time, automatically, by virtue of the Merger, each issued and outstanding share of common stock, par value \$0.01 per share, of Merger Sub shall be automatically converted into and become one fully paid and non-assessable share of common stock of the Surviving Corporation and shall constitute the only outstanding shares of the Surviving Corporation.

(c) Equitable Adjustments. Notwithstanding anything in this Agreement to the contrary, if, during the period from the date of this Agreement through the Effective Time, the outstanding shares of Company Common Stock are changed or converted into a different number or class or series of shares by reason of any stock split, division, combination, exchange or subdivision of shares, stock dividend (including any dividend or distribution of securities convertible into Company Common Stock), reverse stock split, consolidation of shares, reorganization, reclassification, recapitalization, or other similar transaction or similar change, or a record date with respect to any such event shall occur during such period, then the Merger Consideration (including the Conversion Ratio) and any other similarly dependent items, as the case may be, shall be adjusted, without duplication, to the extent appropriate to provide the same economic effect as contemplated by this Agreement prior to such action. Nothing in this Section 1.5(c) shall be construed to permit the parties to take any action except to the extent consistent with, or not otherwise prohibited by, the terms of this Agreement, including Section 4.2.

1.6 Treatment of Company Equity Awards.

(a) Effect on Company RSUs. Effective as of the Effective Time, and without any action on the part of Parent, Merger Sub, the Company or the holder thereof, other than the Company delivering any notices required pursuant to the terms of the applicable Company Equity Agreements:

(i) Converted RSUs. Each Company RSU that is outstanding but not vested as of immediately prior to the Effective Time, and that is held by an individual who, as of immediately after the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “Company Converted RSU”), shall be assumed by Parent and converted into a restricted stock unit award denominated in shares of Parent Common Stock as set forth herein. Each Company Converted RSU shall continue to have and be subject to the same terms and conditions as were applicable to such Company RSU immediately before the Effective Time (including vesting conditions, including any such conditions arising under any Change of Control Agreement, and accumulated and future dividend equivalent rights), except that (A) each Company Converted RSU shall cover that number of shares of Parent Common Stock equal to the product (rounded to the nearest whole number) of (1) the number of shares of Company Common Stock underlying such Company RSU, and (2) the Conversion Ratio; and (B) each Company Converted RSU shall be subject to such terms and conditions that become operative and applicable pursuant to its terms in connection with the Closing.

(ii) Accelerated RSUs. Each Company RSU that is outstanding as of immediately prior to the Effective Time and that (A) is vested but not yet settled as of immediately prior to the Effective Time, (B) by its terms becomes vested in connection with the Closing or (C) is held by a non-employee member of the Company Board as of immediately prior to the Effective Time (each, a “Company Accelerated RSU”), shall be cancelled, with the former holder of such cancelled Company Accelerated RSU becoming entitled to receive an amount of Merger Consideration equal to the product of (x) the per-share Merger Consideration multiplied by (y) the applicable number of shares of Company Common Stock subject to such Company Accelerated RSU after giving effect to any accumulated dividend equivalent rights (the “Company Accelerated RSU Payment”) no later than the Surviving Corporation’s next payroll date immediately following the Closing Date (but in no event later than five (5) Business Days after the Closing Date). The payment of the Company Accelerated RSU Payment to the holder of a Company Accelerated RSU shall be reduced by any applicable Tax withholding as contemplated in Section 1.9; *provided, that*, the applicable Taxes required to be withheld from the Company Accelerated RSU Payment shall be promptly remitted by the Surviving Corporation in cash to the applicable Governmental Entity.

(b) Effect on Company PSUs. Effective as of the Effective Time, and without any action on the part of Parent, Merger Sub, the Company or the holder thereof, other than the Company delivering any notices required pursuant to the terms of the applicable Company Equity Agreements:

(i) Converted PSUs. Each Company PSU that is outstanding but not vested as of immediately prior to the Effective Time, and that is held by an individual who, as of immediately after the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “Company Converted PSU”), shall be assumed by Parent and converted into a performance-based stock unit award denominated in shares of Parent Common Stock as set forth herein. Each Company Converted PSU shall continue to have and be subject to the same terms and conditions as were applicable to such Company PSU immediately before the Effective Time (including time-based vesting conditions, including any such conditions arising under any Change of Control Agreement, and accumulated and future dividend equivalent rights), except that (A) each Company Converted PSU shall cover that number of shares of Parent Common Stock equal to the product (rounded to the nearest whole number) of (1) the number of shares of Company Common Stock underlying such Company PSU (*provided, that*, for purposes of determining the applicable number of shares of Company Common Stock that are subject to such Company Converted PSU, the performance conditions for such Company PSU for which such performance period has not yet closed will be deemed satisfied at target level, as determined under the relevant Company Equity Award terms), and (2) the Conversion Ratio; (B) the applicable performance-based vesting conditions for each such Company PSU will be deemed satisfied at target level as of immediately prior to the Effective Time, and the Company Converted PSUs shall be subject to only the time-based vesting conditions set forth in the applicable Company Equity Agreement; and (C) each Company Converted PSU shall be subject to such other terms and conditions that become operative and applicable pursuant to its terms in connection with the Closing.

(ii) Accelerated PSUs. Each Company PSU that is outstanding as of immediately prior to the Effective Time and that (A) is vested but not yet settled as of immediately prior to the Effective Time, (B) by its terms becomes vested in connection with the Closing or (C) is held by a non-employee member of the Company Board as of immediately prior to the Effective Time (each, a “Company Accelerated PSU”), shall be cancelled, with the former holder of such cancelled Company Accelerated PSU becoming entitled to receive an amount of Merger Consideration equal to the product of (x) the per-share Merger Consideration multiplied by (y) the applicable number of shares of Company Common Stock subject to such Company Accelerated PSU determined as if the performance conditions for such Company PSU for which such performance period has not yet closed are satisfied at target level as determined under the relevant Company Equity Award terms and after giving effect to any accumulated dividend equivalent rights (the “Company Accelerated PSU Payment”) no later than the Surviving Corporation’s next payroll date immediately following the Closing Date (but in no event later than five (5) Business Days after the Closing Date). The payment of the Company Accelerated PSU Payment to the holder of a Company Accelerated PSU shall be reduced by any applicable Tax withholding as contemplated in Section 1.9; *provided, that*, the applicable Taxes required to be withheld from the Company Accelerated PSU Payment shall be promptly remitted by the Surviving Corporation in cash to the applicable Governmental Entity.

(c) Effect on Company MSUs. Effective as of the Effective Time, and without any action on the part of Parent, Merger Sub, the Company or the holder thereof, other than the Company delivering any notices required pursuant to the terms of the applicable Company Equity Agreements:

(i) Converted MSUs. Each Non-Vested MSU that is outstanding as of immediately prior to the Effective Time and that is held by an individual who, as of immediately after the Effective Time, constitutes an “employee” of Parent within the meaning of Form S-8 (each, a “Company Converted MSU”), shall be assumed by Parent and converted into a restricted stock unit award denominated in shares of Parent Common Stock (as set forth herein). Each Company Converted MSU shall continue to have and be subject to the same terms and conditions as were applicable to such Company MSU immediately before the Effective Time (including time-based vesting conditions, including any such conditions arising under any Change of Control Agreement, and accumulated and future dividend equivalent rights), except that (A) each Company Converted MSU shall cover that number of shares of Parent Common Stock equal to the product (rounded to the nearest whole number) of (1) the number of shares of Company Common Stock underlying such Company MSU, with such number determined based on actual performance of the performance conditions applicable to such Company MSU as of immediately before the Effective Time, as determined under the relevant Company Equity Award terms, and (2) the Conversion Ratio; and (B) each Company Converted MSU shall be subject to such other terms and conditions that become operative and applicable pursuant to its terms in connection with the Closing. If for any reason, a Non-Vested MSU is not converted to a Company Converted MSU, it shall be considered a Company Accelerated MSU.

(ii) Accelerated MSUs. Each Company MSU that is outstanding as of immediately prior to the Effective Time and that is (A) vested but not yet settled as of immediately prior to the Effective Time, (B) by its terms becomes vested in connection with the Closing or (C) is held by a non-employee member of the Company Board as of immediately prior to the Effective Time (each, a “Company Accelerated MSU”), shall be cancelled, with the former holder of such cancelled Company Accelerated MSU becoming entitled to receive an amount of Merger Consideration equal to the product of (x) the per-share Merger Consideration multiplied by (y) the applicable number of shares of Company Common Stock subject to such Company Accelerated MSU with such number determined based on actual performance of the performance conditions applicable to such Company MSU as of immediately before the Effective Time, as determined under the relevant Company Equity Award terms, after giving effect to any accumulated dividend equivalent rights (the “Company Accelerated MSU Payment”) no later than the Surviving Corporation’s next payroll date immediately following the Closing Date (but in no event later than five (5) Business Days after the Closing Date). The payment of the Company Accelerated MSU Payment to the holder of a Company Accelerated MSU shall be reduced by any applicable Tax withholding as contemplated in Section 1.9; *provided, that*, the applicable Taxes required to be withheld from the Company Accelerated MSU Payment shall be promptly remitted by the Surviving Corporation in cash to the applicable Governmental Entity.

(d) Company Actions. Prior to the Effective Time, the Company, the Company Board or an applicable committee thereof, as applicable, will adopt any resolutions and take any actions within its authority as it deems reasonably necessary to give effect to the transactions contemplated by this Section 1.6, including (i) providing notice to each holder of a Company RSU, Company PSU or Company MSU, as applicable, in a form reasonably acceptable to Parent of the treatment of the Company RSUs, Company PSUs or Company MSUs set forth in this Agreement and (ii) satisfying all applicable requirements of Rule 16b-3 promulgated under the Exchange Act. The Company will provide Parent with drafts of, and a reasonable opportunity to review and comment upon (and Parent's review and delivery of comments will occur promptly after the Company provides Parent with such drafts and the Company's acceptance of Parent's reasonable comments will not be unreasonably withheld), all notices, resolutions and other written actions or communications as may be required to give effect to the provisions of this Section 1.6. The Company hereby represents, acknowledges and agrees that the treatment of, and transactions contemplated with respect to, Company RSUs, Company PSUs and Company MSUs, as set forth in Section 1.6(a)(i), Section 1.6(b)(i) and Section 1.6(c)(i) and the Agreement otherwise, shall constitute the grant by Parent of "Replacement Awards" for all purposes under the Company Equity Agreements, and neither the Company Board nor any committee thereof shall make any determination otherwise at any time.

(e) Non-U.S. Grantees. If the treatment of a non-U.S. grantee's Company RSU, Company PSU or Company MSU specified in this Section 1.6 would otherwise be prohibited, subject to onerous regulatory requirements, or subject to adverse tax treatment under the laws of the applicable jurisdiction (as reasonably determined by Parent following consultation with the Company), then, if reasonably determined by Parent to be practicable and not likely to result in the imposition of adverse tax treatment or onerous regulatory requirements, the applicable provisions of this Section 1.6 shall not apply, and Parent shall provide compensation to the holder of such Company RSU, Company PSU or Company MSU that is equivalent in value to the value described in this Section 1.6 (i.e., an amount of Merger Consideration equal to the product of (x) the per-share Merger Consideration multiplied by (y) the applicable number of shares of Company Common Stock subject to the relevant awards), in the form of a cash payment which will be reduced by any applicable Taxes or a new equity award, as reasonably determined by Parent in consultation with the Company; *provided, that*, any such compensation provided to the holder of any such Company RSU, Company PSU or Company MSU shall be considered a "Replacement Award" for purposes of the Company Equity Agreements.

(f) Form S-8. Parent shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Parent Common Stock for delivery with respect to all Company Converted RSUs, Company Converted PSUs and Company Converted MSUs. Parent shall file on the Closing Date a registration statement under the Securities Act on Form S-8 or other appropriate form under the Securities Act, relating to shares of Parent Common Stock issuable with respect to all Company Converted RSUs, Company Converted PSUs and Company Converted MSUs, and Parent shall use its reasonable best efforts to cause such registration statement to remain in effect for so long as such Company Converted RSUs, Company Converted PSUs and Company Converted MSUs remain outstanding.

1.7 Exchange of Certificates and Cancellation of Book-Entry Positions.

(a) Prior to the Closing Date, Parent shall select Parent's transfer agent or (after consultation with the Company) another reputable bank or trust company reasonably satisfactory to Parent and the Company to act as exchange agent with respect to the Merger (the "Exchange Agent"). Prior to or concurrent with the Effective Time, Parent shall cause to be deposited with the Exchange Agent cash sufficient to pay the aggregate Merger Consideration payable pursuant to Section 1.5(a). The cash amounts so deposited with the Exchange Agent pursuant to this Section 1.7(a) together with any interest or other income with respect to such cash amount, are referred to collectively as the "Exchange Fund". The Exchange Agent shall invest the cash available in the Exchange Fund in obligations, funds or accounts typical for (including having liquidity typical for) transactions of this nature as may be directed by Parent; *provided, that*, no losses on such investments shall affect the cash payable to former holders of shares of Company Common Stock pursuant to this ARTICLE I (and Parent shall promptly deliver to the Exchange Agent cash in an amount sufficient to replenish any deficiency in the Exchange Fund).

(b) As soon as reasonably practicable, and in any event within five (5) Business Days after the Effective Time, Parent shall instruct the Exchange Agent to send to each holder of record of shares of Company Common Stock (other than shares held through The Depository Trust Company (“DTC”) or any other similar book-entry transfer facility) whose shares of Company Common Stock were converted pursuant to Section 1.5(a), into the right to receive the Merger Consideration (i) a letter of transmittal, which shall specify that delivery shall be effected, and risk of loss and title to the Company Stock Certificates shall pass, only upon delivery of the Company Stock Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent and shall be in such form reasonably acceptable to each of Parent and the Company (the “Letter of Transmittal”) and (ii) instructions for use in effecting the surrender of Company Stock Certificates (or affidavits of loss in lieu thereof) in exchange for the Merger Consideration. With respect to Company Book-Entry Shares held through DTC or any other similar book-entry transfer facility, Parent shall instruct the Exchange Agent to coordinate with DTC or such other book-entry transfer facility to establish procedures for the exchange of such Company Book-Entry Shares for the Merger Consideration in accordance with the customary surrender and book-entry transfer procedures of DTC or such other facility.

(c) Upon (i) surrender of Company Stock Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent together with the Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may customarily be required by the Exchange Agent, or (ii) in the case of Company Book-Entry Shares not held through DTC or any other similar book-entry transfer facility, receipt by the Exchange Agent of an agent’s message in customary form (or such other evidence of transfer as the Exchange Agent may reasonably accept in lieu thereof) in connection with the book-entry transfer of such Company Book-Entry Shares, in each case, the holder of such Company Stock Certificates or Company Book-Entry Shares, shall be entitled to receive in exchange therefor the Merger Consideration into which the shares represented by such Company Stock Certificates or Company Book-Entry Shares have been converted pursuant to this Agreement. With respect to Company Book-Entry Shares held through DTC or any other similar book-entry transfer facility, the holders thereof shall be entitled to receive the Merger Consideration through DTC or such other facility in accordance with its customary procedures, without any requirement to deliver a Letter of Transmittal or surrender any certificate, and Parent shall instruct the Exchange Agent to transmit such amounts to DTC or such other facility for allocation to its participants. Parent shall instruct the Exchange Agent to pay such Merger Consideration within five (5) Business Days following the later to occur of (x) the Effective Time or (y) (A) in the case of Company Stock Certificates, the Exchange Agent’s receipt of such Company Stock Certificate (or affidavit of loss in lieu thereof) together with a duly completed and validly executed Letter of Transmittal and all other required documentation, or (B) in the case of Company Book-Entry Shares not held through DTC or any other similar book-entry transfer facility, the Exchange Agent’s receipt of an agent’s message in customary form effecting the book-entry transfer of such shares, or (C) in the case of Company Book-Entry Shares held through DTC or any other similar book-entry transfer facility, the Effective Time, with such payment to be made through DTC or such other facility in accordance with its customary procedures. Each Company Stock Certificate (or affidavit of loss in lieu thereof) so surrendered shall be cancelled upon payment of the applicable Merger Consideration. In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer or stock records of the Company, any cash to be paid upon due surrender of the Company Stock Certificate or Company Book-Entry Share formerly representing such shares of Company Common Stock shall be paid to such a transferee if such Company Stock Certificate or Company Book-Entry Share is presented to the Exchange Agent, accompanied by all documents reasonably required to evidence and effect such transfer and to evidence to the reasonable satisfaction of the Exchange Agent and Parent that any applicable stock transfer or other similar Taxes have been paid or are not applicable. No interest shall be paid or shall accrue on the cash payable upon surrender of any Company Stock Certificate or Company Book-Entry Share. Until surrendered as contemplated by this Section 1.7(c) each Company Stock Certificate and Company Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive, upon such surrender, the Merger Consideration to which the shares represented by such Company Stock Certificate or Company Book-Entry Share have been converted pursuant to this Agreement.

(d) In the event that any Company Stock Certificate shall have been lost, stolen or destroyed, then, upon the making of an affidavit of that fact by the Person claiming such Company Stock Certificate to be lost, stolen or destroyed and, if required by the Exchange Agent, the posting by such Person of a bond in a reasonable and customary amount and upon such terms as may reasonably be required as indemnity against any claim that may be made against it with respect to such Company Stock Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Company Stock Certificate, the Merger Consideration payable pursuant to this ARTICLE I as if such lost, stolen or destroyed Company Stock Certificate had been surrendered in accordance with this Section 1.7.

(e) After the Effective Time, Parent shall cause the Surviving Corporation to pay on the applicable payment date the amount of dividends or other distributions on shares of Company Common Stock that have a record date prior to the Effective Time and a payment date after the Effective Time, such payment to be made to the holders of Company Common Stock on such record date.

(f) Any portion of the Exchange Fund that remains undistributed to holders of Company Stock Certificates or Company Book-Entry Shares as of the date that is (i) one (1) year after the Effective Time or (ii) such earlier date as may be required to comply with applicable abandoned property, escheat or similar Legal Requirements, shall be delivered to Parent upon demand. Any holders of Company Stock Certificates or Company Book-Entry Shares who have not theretofore surrendered their Company Stock Certificates or Company Book-Entry Shares in accordance with this Section 1.7 shall thereafter be entitled to look to Parent for, and be entitled to receive from Parent, subject to applicable abandoned property, escheat and similar Legal Requirements, the Merger Consideration pursuant to the provisions of Section 1.5(a).

(g) Neither Parent nor the Surviving Corporation shall be liable to any holder or former holder of shares of Company Common Stock or to any other Person with respect to any portion of the Merger Consideration delivered to any public official pursuant to any applicable abandoned property law, escheat law or other similar Legal Requirement. If any Company Stock Certificate or Company Book-Entry Share has not been surrendered prior to the date on which any portion of the Merger Consideration that a holder of such Company Stock Certificate or Company Book-Entry Share has the right to receive pursuant to this ARTICLE I in respect of such Company Stock Certificate or Company Book-Entry Share would otherwise escheat to or become property of any Governmental Entity, any such cash in respect of such Company Stock Certificate or Company Book-Entry Share shall, to the extent permitted by applicable Legal Requirements, become the property of Parent, free and clear of all claims or interests of any Person previously entitled thereto.

(h) The Merger Consideration paid in accordance with the terms of this ARTICLE I in respect of any shares of Company Common Stock shall be deemed to have been delivered and paid in full satisfaction of all rights pertaining to such shares of Company Common Stock. From and after the Effective Time, (i) all holders of Company Stock Certificates and Company Book-Entry Shares shall cease to have any rights as stockholders of the Company other than the right to receive the Merger Consideration into which the shares represented by such Company Stock Certificates and Company Book-Entry Shares have been converted pursuant to this Agreement upon the surrender of such Company Stock Certificates or Company Book-Entry Shares in accordance with Section 1.7, without interest, and (ii) the stock transfer books of the Company shall be closed with respect to all shares of Company Common Stock outstanding immediately prior to the Effective Time. If, after the Effective Time, any Company Stock Certificates or Company Book-Entry Shares formerly representing shares of Company Common Stock are presented to the Surviving Corporation, Parent or the Exchange Agent for any reason, such Company Stock Certificates or Company Book-Entry Shares shall be cancelled and exchanged as provided in this ARTICLE I.

1.8 Further Action. If, at any time after the Effective Time, Parent or the Surviving Corporation determines that any further action is necessary to carry out the purposes of this Agreement, the officers and directors of Parent shall (in the name of Merger Sub, the Surviving Corporation or otherwise) be fully authorized to take such action.

1.9 Tax Withholding. Each of Parent, the Exchange Agent, Merger Sub, the Company, and the Surviving Corporation, as applicable, shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement any amounts as are required to be deducted and withheld with respect to the making of such payment pursuant to the Code or any other applicable Legal Requirement relating to Taxes. To the extent that amounts are so deducted or withheld and, if required, paid over to the appropriate Governmental Entity, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding were made.

1.10 Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Cancelled Shares) and held by a holder who has not voted in favor of adoption of this Agreement or consented thereto in writing and who has properly exercised appraisal rights with respect to such shares in accordance with the DGCL (such shares being referred to collectively as the “Dissenting Shares” until such time as such holder fails to perfect, withdraws or otherwise loses such holder’s appraisal rights under the DGCL with respect to such shares) shall not be converted into the right to receive the Merger Consideration. At the Effective Time, all Dissenting Shares shall no longer be outstanding and shall be cancelled and cease to exist, and each holder of Dissenting Shares shall cease to have any rights with respect thereto except such rights as are granted by the DGCL to a holder of Dissenting Shares; *provided, however*, that if, after the Effective Time, such holder fails to perfect, withdraws or otherwise loses such holder’s right to appraisal pursuant to the DGCL, such shares of Company Common Stock shall be treated as if they had been converted as of the Effective Time into the right to receive the Merger Consideration in accordance with Section 1.5(a)(i), without interest thereon, upon surrender of such Company Stock Certificate formerly representing such share or transfer of such Company Book-Entry Share, as the case may be, in compliance with Section 1.7. The Company shall provide Parent prompt written notice of any demands received by the Company for appraisal of shares of Company Common Stock in connection with the Merger, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the DGCL that relates to such demand, and Parent shall have the opportunity and right to participate in and control all negotiations and proceedings with respect to such demands under the DGCL, in all cases consistent with the obligations of the Company thereunder. Except with the prior written consent of Parent, the Company shall not make any payment with respect to, or offer to settle or settle, any such demands. From and after the Effective Time, a holder of Dissenting Shares shall not be entitled to exercise any of the voting rights or other rights of an equity owner of the Surviving Corporation.

(a) Neither the Company nor any Company Subsidiary is a party to or bound by any collective bargaining agreement or other labor-related agreement or arrangement with a labor organization or works council representing any of its employees, excluding any national, sector, industry or similar generally applicable contract or arrangement, and, as of the date of this Agreement, there are no labor organizations, works councils or other employee representative bodies representing, or, to the knowledge of the Company, seeking to represent any employees of the Company or any Company Subsidiary.

(b) Since January 1, 2023, there has not been any actual or, to the knowledge of the Company, threatened material unfair labor practice charge, grievance, arbitration, strike, work stoppage, lockout, slowdown, picketing or union organizing activity with respect to any of the employees of the Company or any Company Subsidiary, affecting the Company or any Company Subsidiary.

(c) Except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, the Company and the Company Subsidiaries are, and since January 1, 2023, have been, in compliance with all applicable Legal Requirements, respecting employment and employment practices, including terms and conditions of employment of employees, former employees and prospective employees, wages and hours, pay equity, discrimination in employment, wrongful discharge, collective bargaining, labor relations, mass layoffs or reductions in force, plant closing notification, fair labor standards, occupational health and safety, personal rights, disability rights or benefits, workers' compensation, employee leave issues, unemployment insurance, automated employment decision tools, and other labor and employment-related matters.

(d) Except as would not reasonably be expected to, individually or in the aggregate, be material to the Company and the Company Subsidiaries, taken as a whole, none of the Company or any of the Company Subsidiaries is party to a settlement agreement with a current or former officer, employee or independent contractor of the Company or any Company Subsidiary that involves allegations relating to harassment or discrimination of any kind by either (i) an officer of the Company or any Company Subsidiary or (ii) an employee of the Company or any Company Subsidiary at the level of Vice President or above. Except as would not reasonably be expected to, individually or in the aggregate, be material to the Company and the Company Subsidiaries, taken as a whole, to the knowledge of the Company, in the last five (5) years to the date of this Agreement, no allegations of harassment of any kind have been made against (i) any officer of the Company or any Company Subsidiary or (ii) any employee of the Company or any Company Subsidiary at the level of Vice President or above.

2.20 Environmental Matters. The Company and the Company Subsidiaries are, and since January 1, 2024 have been, in compliance with all applicable Environmental Laws (which compliance includes the possession, and the compliance with the terms and conditions, by the Company and each Company Subsidiary of all Company Permits required under applicable Environmental Laws to conduct their respective business and operations), and there are no investigations, actions, suits or proceedings pending or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary, that allege that the Company or any Company Subsidiary is violating, or has or may have, violated any Environmental Law, in each case, except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

2.21 Insurance. The Company and the Company Subsidiaries maintain insurance with reputable insurers in such amounts and against such risks as the management of the Company has in good faith determined to be prudent and appropriate in all material respects. Except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, all insurance policies maintained by or for the benefit of the Company or any of the Company Subsidiaries are in full force and effect, all premiums and other payments due or payable on such policies have been paid by the Company or a Company Subsidiary, claims thereunder have been filed in due and timely fashion, and neither the Company nor any Company Subsidiary is in breach or default under, has received any written notice of, or has taken any action that could permit cancellation, termination, non-renewal or modification of, any such insurance policies.

2.22 Takeover Statutes. Assuming the accuracy of Parent's representations in Section 3.5, the Company Board has taken all action necessary to render Section 203 of the DGCL, all other potentially applicable state anti-takeover statutes and any similar provisions of the Company's Organizational Documents inapplicable to the Merger. None of the foregoing actions taken by the Company Board has been amended, rescinded or modified. There are no other "fair price," "moratorium," "control share acquisition," "business combination" or other anti-takeover statute or similar Legal Requirement applicable to this Agreement or the Merger, including any such statute or regulation that would limit or restrict Parent or any of its Affiliates from exercising ownership of the shares of Company Common Stock acquired in the Merger.

2.23 Ownership of Parent Common Stock. During the three (3) years prior to the date of this Agreement, none of the Company, any Company Subsidiary or any "affiliate" or "associate" (as such terms are defined in Section 203(c) of the DGCL) of any of the foregoing "owns" or "owned" (as such terms are defined in Section 203(c) of the DGCL), directly or indirectly, any shares of Parent Common Stock or other securities convertible into, exchangeable into or exercisable for shares of Parent Common Stock (other than pursuant to any Company Plan). There are no voting trusts or other agreements or understandings to which the Company or any Company Subsidiary is a party with respect to the voting of the capital stock or other equity interest of Parent or any Parent Subsidiary.

2.24 Opinion of Financial Advisor. As of September 29, 2026, the Company Board has received the opinion of Qatalyst Partners LP (the "Company Financial Advisor") and such opinion, the "Company Financial Advisor Opinion"), financial advisor to the Company, to the effect that, as of the date of such opinion and subject to the various qualifications, assumptions, limitations, and other matters set forth therein, the Merger Consideration to be received by the holders of Company Common Stock (other than Parent or any Affiliate of Parent) pursuant to, and in accordance with, the terms of this Agreement is fair, from a financial point of view, to such holders. The Company will make available to Parent a copy of such opinion as soon as practicable following the execution of this Agreement for information purposes only.

2.25 Brokers. No broker, finder or investment banker (other than the Company Financial Advisor) is entitled to any brokerage, finder's or other similar fee or commission in connection with the Merger based upon arrangements made by or on behalf of the Company. The Company has made available to Parent true, correct and complete copies of all engagement, fee and similar Contracts between the Company (or any Company Subsidiary) and the Company Financial Advisor.

2.26 Information Supplied. The information supplied or to be supplied by the Company specifically for inclusion in the Proxy Statement will not, at the time of the filing of the Proxy Statement (and any amendment or supplement thereto), on the date that the Proxy Statement is first mailed to the stockholders of the Company, or on the date of the Company Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. No representation or warranty is made by the Company with respect to statements made in the Proxy Statement based on information supplied by Parent for inclusion therein.

ARTICLE III. REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

Parent and Merger Sub hereby jointly and severally represent and warrant to the Company that, except (i) as set forth or incorporated by reference in the Parent SEC Documents filed and publicly available after January 1, 2024 but prior to the date of this Agreement (excluding any disclosures contained in such documents under the heading "Risk Factors" or in any other section to the extent they are forward-looking statements or cautionary, predictive or forward-looking in nature, and without giving effect to any amendment to any such document filed on or after the date of this Agreement) and (ii) subject to Section 7.12, in the disclosure schedule delivered to the Company prior to the execution of this Agreement (the "Parent Disclosure Schedule");

3.1 Due Organization and Good Standing.

(a) Parent and Merger Sub are duly organized, validly existing and in good standing under the laws of the State of Delaware. Parent and Merger Sub have the requisite corporate power and authority to own, lease and operate their respective assets and to carry on their respective businesses as it is being conducted as of the date of this Agreement, except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Parent and Merger Sub are duly qualified and are in good standing in each other jurisdiction where the nature of their business makes such qualification necessary, except where such failure to be so qualified or in good standing would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Prior to the date of this Agreement, Parent has made available to the Company copies of the Organizational Documents of Parent and Merger Sub. The Organizational Documents of Parent and Merger Sub are in full force and effect and neither Parent nor Merger Sub is in violation of any of the provisions of such Organizational Documents, except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

3.2 Authority; Binding Nature of Agreement.

(a) Parent has the requisite corporate power and authority under the DGCL and its Organizational Documents to enter into and to perform its obligations under this Agreement and to consummate the Merger, subject to the adoption of this Agreement by Parent in its capacity as sole stockholder of Merger Sub. The execution and delivery of this Agreement by Parent and the consummation by Parent of the Merger and other transactions contemplated by this Agreement have been duly authorized by all necessary corporate action on the part of the Parent Board, and no other corporate proceedings on the part of Parent are necessary to authorize this Agreement, in each case other than the adoption of this Agreement by Parent as the sole stockholder of Merger Sub and the filing of the Certificate of Merger as required by the DGCL. This Agreement has been duly executed and delivered on behalf of Parent and, assuming the due authorization, execution and delivery of this Agreement on behalf of the Company, constitutes the valid and binding obligation of Parent, enforceable against Parent in accordance with its terms, subject to the Enforceability Limitations.

(b) The Parent Board has unanimously: (i) duly and validly authorized and approved the execution, the delivery and the performance of this Agreement and the consummation of the Merger, by Parent; (ii) determined that this Agreement and the transactions contemplated by this Agreement, including the Merger are fair to and in the best interests of Parent and its stockholders; (iii) approved and declared advisable this Agreement and the transactions contemplated by this Agreement, including the Merger. Assuming the accuracy of the representations in Section 2.2, and the compliance by the Company with its obligations under Section 4.2(a) (to the extent non-compliance impacts or contributes to the inaccuracy of the following representation), no vote of the holders of shares of Parent Common Stock is necessary to approve this Agreement, the Merger or the other transactions contemplated by this Agreement.

(c) The board of directors of Merger Sub has: (i) determined that the transactions contemplated by this Agreement are fair to, and in the best interests of, Merger Sub and its stockholder; (ii) declared that this Agreement is advisable and recommended that its sole stockholder, in its capacity as such, adopt this Agreement; and (iii) authorized and approved the execution, delivery and performance of this Agreement by Merger Sub.

(d) The Merger Sub was formed solely for the purpose of entering into the transactions contemplated by this Agreement (including prior to the amendments provided herein) and is a wholly owned (directly or indirectly) Subsidiary of Parent, and has the requisite corporate power and authority under the DGCL and its Organizational Documents to enter into and to perform its obligations under this Agreement. The execution and delivery of this Agreement by Merger Sub and the consummation by Merger Sub of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate action on the part of Merger Sub, and no other corporate proceedings on the part of Merger Sub are necessary to authorize this Agreement other than: (A) the adoption of this Agreement by Parent as the sole stockholder of Merger Sub; and (B) the filing of the Certificate of Merger as required by the DGCL. This Agreement has been duly executed and delivered by Merger Sub and, assuming the due authorization, execution and delivery of this Agreement on behalf of the Company, constitutes the valid and binding obligation of Merger Sub, enforceable against Merger Sub in accordance with its terms, subject to the Enforceability Limitations.

(e) Parent, as the sole stockholder of Merger Sub, will execute and deliver a written consent to adopt this Agreement promptly after the execution and delivery of this Agreement.

3.3 Non-Contravention; Consents.

(a) The execution and delivery of this Agreement by Parent and the consummation by Parent of the Merger will not:

(i) cause a violation of any of the provisions of the Organizational Documents of Parent or any Significant Parent Subsidiary;

(ii) assuming the consents and filings referred to in Section 3.3(b) are made and obtained, and except as may be required by the Securities Act, the Exchange Act, the DGCL, applicable Antitrust Laws, applicable FDI Laws, applicable state securities takeover and “blue sky” laws, or the rules and regulations of Nasdaq, conflict with or violate any applicable Legal Requirements; or

(iii) subject to Section 4.6, result in any loss, limitation or impairment of any right of Parent or any Parent Subsidiary to own or use any assets, result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation, modification or acceleration of any obligation or to the loss of a benefit under any material Contract to which Parent or a Parent Subsidiary is party, or result in the creation of any Liens of any kind (other than Parent Permitted Encumbrances) upon any of the properties, rights or assets of Parent or any Parent Subsidiary; except, in the cases of clauses (ii) and (iii), as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Except as may be required by the Securities Act, the Exchange Act, the DGCL, applicable Antitrust Laws, applicable FDI Laws, applicable state securities takeover and “blue sky” laws or the rules and regulations of Nasdaq, neither Parent, Merger Sub, nor any Parent Subsidiary, is required to make any filing, registration, or declaration with, give any notice to, or obtain any consent, Order, license, permit, clearance, waiver or approval from, any Governmental Entity for the execution and delivery of this Agreement by Parent or the consummation by Parent of the Merger, the performance by Parent of its covenants and obligations hereunder or the consummation by Parent of the Merger, in each case, except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

3.4 Legal Proceedings; Investigations; Orders. (i) Except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, there is no Legal Proceeding pending (or, to the knowledge of Parent, threatened) against Parent, Merger Sub or any Parent Subsidiary, or affecting any of their respective properties or assets, and since January 1, 2024 there has been no such Legal Proceeding, and (ii) there is no Legal Proceeding pending (or, to the knowledge of Parent, threatened), that would adversely affect Parent's or the Merger Sub's ability to perform any of its obligations under, or consummate any of the transactions contemplated by, this Agreement.

3.5 Ownership of Company Common Stock. During the three (3) years prior to the date of this Agreement, neither Parent nor any Parent Subsidiary beneficially owns or owned, directly or indirectly, any shares of Company Common Stock or other securities convertible into, exchangeable into or exercisable for shares of Company Common Stock (other than pursuant to any Parent Plan). There are no voting trusts or other agreements or understandings to which Parent or any Parent Subsidiary is a party with respect to the voting of the capital stock or other equity interest of the Company or any Company Subsidiary.

3.6 Brokers. No broker, finder or investment banker (other than Morgan Stanley & Co. LLC and J.P. Morgan Securities LLC) is entitled to any brokerage, finder's or other similar fee or commission in connection with the Merger based upon arrangements made by or on behalf of Parent.

3.7 Information Supplied. The information supplied or to be supplied by Parent specifically for inclusion in the Proxy Statement will not, at the time of the filing of the Proxy Statement (and any amendment or supplement thereto), on the date that the Proxy Statement is first mailed to the stockholders of the Company, or on the date of the Company Stockholder Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. No representation or warranty is made by Parent with respect to statements made based on information supplied by the Company for inclusion in the Proxy Statement.

3.8 Financing.

(a) Parent has delivered to the Company true and complete copies of (i) the executed commitment letter, dated as of the date hereof, among Parent and the Financing Sources party thereto including all exhibits, schedules and annexes to such letter in effect as of the execution and delivery of this Agreement and (ii) the executed fee letter related thereto (together, the “Debt Commitment Letter”) pursuant to which the Financing Sources party thereto have agreed to provide, subject to the terms and conditions therein, debt financing in the amounts set forth therein (the “Committed Financing”) (it being understood that such fee letter has been redacted to remove fees, the rates and amounts in the “market flex”, if any, and other economic terms that are customarily redacted in connection with transactions of this type and that could not adversely affect the amount, conditionality, availability or termination of the Committed Financing). As of the execution and delivery of this Agreement, other than the Debt Commitment Letter, there are no side letters, understandings, arrangements or other agreements or contracts related to the Financing (other than customary engagement letters that do not contain provisions that could adversely affect the amount, conditionality, availability or termination of the Committed Financing). The Debt Commitment Letter contains all of the conditions precedent to make the Committed Financing available to Parent on the terms therein, and there are no other conditions or other contingencies related to the funding of the full amount of the Committed Financing, including any condition or other contingency relating to the availability of the Committed Financing pursuant to any “flex” provision. The commitments contained in the Debt Commitment Letter have not been withdrawn or rescinded in any respect prior to the date of this Agreement. As of the execution and delivery of this Agreement, the Debt Commitment Letter represents (A) a valid, binding and enforceable obligation of Parent and (B) to the knowledge of Parent, a valid, binding and enforceable obligation of each other party thereto, in the case of each of clauses (A) and (B), except as may be limited by the Enforceability Limitations. As of the execution and delivery of this Agreement, (i) the Debt Commitment Letter has not been amended, restated, supplemented or otherwise modified, or compliance with any of the terms waived, (ii) no commitment under the Debt Commitment Letter has been withdrawn, terminated or rescinded in any respect and (iii) no amendment, restatement, supplement, modification, withdrawal, termination or rescission of the Debt Commitment Letter is contemplated by Parent or, to the knowledge of Parent, by any other party thereto, except for joinders expressly contemplated by the Debt Commitment Letter in connection with the syndication of the financing contemplated thereby and permitted by Section 4.19(b). Parent or the Parent Subsidiaries have fully paid (or caused to be paid) any and all commitment fees and other amounts that are required to be paid pursuant to the terms of the Debt Commitment Letter on or prior to the execution and delivery of this Agreement. As of the execution and delivery of this Agreement, no event has occurred, which, with or without notice, lapse of time or both, could reasonably be expected to (x) constitute a breach or default on the part of Parent or, to the knowledge of Parent, any other party to the Debt Commitment Letter, (y) to the knowledge of Parent, provide a basis for termination of the Debt Commitment Letter by any other party thereto, or (z) result in a failure of any condition to the funding of the full amount of the Committed Financing or otherwise result in any portion of the Committed Financing being unavailable at the Closing. Assuming satisfaction of the conditions set forth in ARTICLE V, Parent has no reason to believe that any of the conditions to funding set forth in the Debt Commitment Letter will not be satisfied or that the Committed Financing will not be available to Parent on the Closing Date in accordance with the terms of the Debt Commitment Letter.

(b) Assuming the accuracy of the representations and warranties set forth in Section 2.2 and Sections 2.11(e), 2.11(g) and 2.11(p) and the Company’s compliance with its obligations contained in Sections 4.2(a)(iii), 4.2(a)(iv), 4.2(a)(vii), 4.2(a)(viii), 4.2(a)(x) and 4.2(a)(xi) (it being understood that, for purposes of this assumption, any action taken by the Company or any Company Subsidiary with the prior written consent of Parent pursuant to Section 4.2(a) shall not be deemed non-compliance with such obligations, and Parent shall not be entitled to rely on such assumption with respect to any such consented-to action), Parent will have, as of the Closing, funds sufficient to (i) make all cash payments contemplated to be made by Parent, or the Surviving Corporation under this Agreement in connection with the Merger (including the aggregate Merger Consideration), any amounts that become payable in respect of the Credit Facility Termination, the redemption or repurchase of the Company Senior Notes, any redemption or repurchase of the Company Convertible Notes and any conversion of the Company Convertible Notes, (ii) pay all fees and expenses required to be paid by them on the Closing Date and (iii) satisfy all other payment obligations of Parent, Merger Sub or any of their respective Subsidiaries that are required to be satisfied in connection with Closing or with respect to the Merger and the other transactions contemplated hereby (collectively, the “Required Amounts”). Notwithstanding anything to the contrary contained herein, in no event shall the receipt or availability of any funds or financing, including the Financing, by Parent or Merger Sub be a condition to any of Parent’s or Merger Sub’s obligations hereunder.

3.9 Merger Sub. Parent is the sole stockholder of Merger Sub. Since the date of its incorporation, Merger Sub has not carried on any business or conducted any operation other than the execution of this Agreement (including prior to the amendments provided herein), the performance of its obligations hereunder and matters ancillary thereto.

Prior to or substantially concurrently with providing any non-public information to such third party, the Company shall make such non-public information available to Parent (to the extent such non-public information has not been previously made available by the Company to Parent). The Company shall promptly (and in any event within 24 hours) inform Parent of the Company Board's determination under the preceding clause (1) and if the Company furnishes non-public information and/or enters into discussions or negotiations as provided for in this Section 4.3(a) and will keep Parent reasonably informed in writing, on a current basis (and, in any event, within 24 hours), of material changes to the status and terms of any such discussions or negotiations and any Company Acquisition Proposal.

(b) If the Company receives a Company Acquisition Proposal or any inquiry or request for information with respect to a Company Acquisition Proposal or that is reasonably likely to lead to a Company Acquisition Proposal, then the Company shall promptly (and in no event later than 24 hours after its receipt of such Company Acquisition Proposal or request) notify Parent in writing of such Company Acquisition Proposal or request (which notification shall include the identity of the Person making or submitting such request or Company Acquisition Proposal and unredacted copies of all correspondence and other written material (including all proposals, counterproposals and drafts of agreements) exchanged between the Company or any Company Subsidiary, on the one hand, and the Person making any such Company Acquisition Proposal, on the other hand, that describes any of the terms or conditions of, or is otherwise material and relates to such terms and conditions, such Company Acquisition Proposal (or, if not in writing, the material terms and conditions thereof)), and the Company shall thereafter keep Parent reasonably informed in writing, on a current basis (and, in any event, within one (1) Business Day), of the status of such Company Acquisition Proposal or request, including informing Parent of any material change to the terms of such Company Acquisition Proposal and providing unredacted copies of all written materials delivered by or to such Person relating to any such changes to such Company Acquisition Proposal.

(c) Promptly following the execution and delivery of this Agreement (and in no event later than 24 hours after the public announcement of this Agreement), the Company shall, and shall cause each of its Subsidiaries and its and their respective Representatives to: (i) immediately cease and cause to be terminated, and shall not authorize or knowingly permit or knowingly encourage any of its or its Subsidiaries' respective Representatives to continue, any existing solicitation of, or discussions or negotiations with, any Person (other than Parent and Parent's Representatives) relating to any Company Acquisition Proposal made on or prior to the date hereof and any access any such Persons may have to any physical or electronic data room relating to any potential Company Acquisition Proposal; and (ii) request that each Person (other than Parent and its Representatives) that has, prior to the date of this Agreement, executed a confidentiality agreement in connection with its consideration of a Company Acquisition Proposal, promptly return or destroy all non-public information furnished to such Person by or on behalf of the Company or any of the Company Subsidiaries prior to the date of this Agreement in accordance with the terms of such confidentiality agreement.

(d) Any breach of the restrictions contained in this Section 4.3 by any of the Company Subsidiaries, or by any Representative of the Company or any Company Subsidiary, shall be deemed to be a breach of this Section 4.3 by the Company.

(a) As promptly as reasonably practicable after the date of this Agreement (and in any event within 10 days thereafter), the Company shall prepare, in consultation with Parent, and cause to be filed with the SEC the Proxy Statement in preliminary form. (i) The Company shall use reasonable best efforts to cause the Proxy Statement to comply in all material respects with all applicable rules, regulations and requirements of the Exchange Act; (ii) each of the parties shall promptly notify the other upon receipt of, and cooperate with each other and use reasonable best efforts to respond to, any comments or requests of the SEC or its staff, including for any amendment or supplement to the Proxy Statement; (iii) each of the parties shall promptly provide the other party with copies of all written correspondence and a summary of all oral communications between it or its Representatives, on the one hand, and the SEC or its staff, on the other hand, relating to the Proxy Statement; and (iv) each of the parties shall cooperate with, and provide the other party with a reasonable opportunity to review and comment in advance on the Proxy Statement (including any amendments or supplements thereto and any Current Reports on Form 8-K filed in response to stockholder demands) and any substantive correspondence (including all responses to SEC comments), prior to filing with the SEC or mailing, and shall provide to the other a copy of all such filings or communications made with the SEC, *provided, that*, the foregoing obligations under this clause (iv) shall not apply with respect to any filing or communication to the extent that it relates to a Company Change in Recommendation or any Acquisition Proposal, in each case otherwise made in compliance with Section 4.5. Notwithstanding any other provision herein to the contrary, the Proxy Statement shall not be filed or mailed (as applicable), and no amendment or supplement (including by incorporation by reference) to the Proxy Statement shall be made, without the approval of both the Company and Parent, which approvals shall not be unreasonably withheld, conditioned or delayed (*provided* that this approval right shall not apply with respect to information, filings or communications to the extent relating to a Company Change in Recommendation or Acquisition Proposal). The Company will, prior to filing the preliminary Proxy Statement, obtain all necessary consents of the Company Financial Advisor to permit the Company to include in the Proxy Statement the Company Financial Advisor Opinion.

(b) The Company shall promptly notify Parent of the time when the Company learns that the Proxy Statement will not be reviewed or that the SEC staff has no further comments thereon, or the time when any supplement or amendment has been filed. The Company shall cause the definitive Proxy Statement to be mailed to the Company's stockholders as promptly as practicable after the date on which the Company learns that the Proxy Statement will not be reviewed or that the SEC staff has no further comments thereon. Each of the parties shall promptly furnish the other parties all information concerning such party, its Subsidiaries, directors, officers and (to the extent reasonably available to such party) stockholders that may be required by applicable Legal Requirements or reasonably requested by the other party or its Representatives in connection with any action contemplated by this Section 4.4. If, at any time prior to obtaining the Required Company Stockholder Vote, any party becomes aware of any information that should be disclosed in an amendment or supplement to the Proxy Statement in order to make any statement therein, in the light of the circumstances under which it is made, not false or misleading with respect to a material fact, or in order to avoid the omission of a material fact necessary to make the statements in the Proxy Statement not misleading, then such party: (A) shall promptly inform the other party thereof; (B) shall provide the other party (and its counsel) with a reasonable opportunity to review and comment on any amendment or supplement to the Proxy Statement prior to it being filed with the SEC; (C) shall provide the other party with a copy of such amendment or supplement promptly after it is filed with the SEC; and (D) if mailing is required by law or otherwise appropriate, shall cooperate in mailing such amendment or supplement to the stockholders of the Company.

The Company, in consultation with Parent, shall set a record date for determining the Persons entitled to notice of, and to vote at, the Company Stockholder Meeting. The Company shall ensure that all proxies solicited in connection with the Company Stockholder Meeting are solicited in compliance with all applicable Legal Requirements. Notwithstanding anything to the contrary contained in this Agreement, (A) the Company shall not postpone or adjourn the Company Stockholder Meeting without the prior written consent of Parent, other than: (1) to the extent reasonably necessary to ensure that any supplement or amendment to the Proxy Statement that the Company Board has determined in good faith after consultation with outside counsel is required by applicable Legal Requirements is disclosed to the Company's stockholders and for such supplement or amendment to be promptly disseminated to the Company's stockholders within a reasonable amount of time (as determined by the Company Board in good faith after consultation with outside counsel) prior to the Company Stockholder Meeting; (2) if required by applicable Legal Requirement or a request from the SEC or its staff; or (3) if as of the time for which the Company Stockholder Meeting is scheduled there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Company Stockholder Meeting; and (B) the Company may, and if Parent so requests at any time prior to the date that is four months from the date on which the Company learns that the Proxy Statement will not be reviewed or that the SEC staff has no further comments thereon, shall, postpone or adjourn the Company Stockholder Meeting in order to solicit additional proxies in favor of the adoption of this Agreement if, on the date for which the Company Stockholder Meeting is scheduled, there would be insufficient votes to obtain the Required Company Stockholder Vote, whether or not a quorum is present, in which case, except in the case where the Company Board has made a Company Change in Recommendation in compliance with Section 4.5(c) or Section 4.5(d), the Company shall use reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the adoption of this Agreement as soon as reasonably practicable; *provided, that*, without the prior written consent of Parent (not to be unreasonably withheld, in the cases of clauses (A)(1) and (A)(2)) (x) any such adjournments or postponements shall be only for the minimum duration reasonably necessary (and for adjournments and postponements under clause (A)(3), no more than five (5) Business Days each time) to accomplish the applicable purpose described in clauses (A) or (B), (y) all such adjournments and postponements taken together shall not cause the date of the Company Stockholder Meeting to be more than twenty (20) Business Days after the date for which the Company Stockholder Meeting was originally scheduled, unless otherwise required by applicable Legal Requirements, and (z) in no event shall the Company Stockholder Meeting be adjourned or postponed to a date that is less than five (5) Business Days prior to the End Date.

(b) Subject to Section 4.5(c) or Section 4.5(d), the Proxy Statement shall include the Company Board Recommendation. Neither the Company Board nor any committee thereof shall, except as otherwise expressly permitted by this Agreement, including by Section 4.5(c) and Section 4.5(d): (i) fail to make, withhold, withdraw, modify, amend or qualify (or publicly propose to withhold, withdraw, modify, amend or qualify) the Company Board Recommendation in a manner adverse to Parent or Merger Sub, or fail to include the Company Board Recommendation in the Proxy Statement; (ii) approve, endorse, adopt, recommend or declare advisable (or publicly propose to do so) any Company Acquisition Proposal; (iii) fail to publicly recommend against acceptance of, within ten (10) Business Days after a tender offer or exchange offer relating to the equity securities of the Company shall have been commenced under the Exchange Act by any third party other than Parent and its Affiliates, such tender offer or exchange offer (for the avoidance of doubt, the taking of no position or a neutral position by the Company Board in respect of the acceptance of any such tender offer or exchange offer as of the end of such period shall constitute a failure to so recommend against, it being understood that any “stop, look and listen” statements contemplated by Section 4.5(f)(i) shall not constitute a failure to recommend against under this clause (iii)); or (iv) if requested by Parent, fail to issue, within (x) ten (10) Business Days after a tender offer or exchange offer constituting a Company Acquisition Proposal is commenced under the Exchange Act or (y) five (5) Business Days after any other Company Acquisition Proposal is publicly announced or after any material modification of any Company Acquisition Proposal (and in no event later than five (5) Business Days prior to the date of the Company Stockholder Meeting, as it may be postponed or adjourned pursuant to Section 4.5(a)), a press release reaffirming without qualification the Company Board Recommendation (any action described in clauses (i) through (iv) being referred to as a “Company Change in Recommendation”); (v) cause or permit the Company or any Company Subsidiary to enter into any merger agreement, acquisition agreement, share purchase agreement, asset purchase agreement, letter of intent, memorandum of understanding, agreement in principle or other similar Contract (whether or not binding) that relates to, or would reasonably be expected to result in, a Company Acquisition Transaction (other than a confidentiality agreement entered into in compliance with Section 4.3(a)); (vi) take any action to make the provisions of any anti-takeover or similar statute or regulation inapplicable to any Company Acquisition Proposal or counterparty thereto; or (vii) publicly propose, resolve or agree to do any of the foregoing.

(c) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to obtaining the Required Company Stockholder Vote, the Company Board may make a Company Change in Recommendation related to a Company Acquisition Proposal and authorize the Company to terminate this Agreement to concurrently enter into a definitive agreement with respect to such Company Acquisition Proposal if and only if (x) the Company receives from a third party a bona fide written Company Acquisition Proposal after the date of this Agreement that has not been withdrawn and did not result from a material breach of Section 4.3(a) and (y) prior to making such Company Change in Recommendation and/or authorizing the Company to terminate this Agreement to concurrently enter into a definitive agreement with respect to such Company Acquisition Proposal:

(i) the Company Board determines in good faith, after consultation with the Company's outside legal counsel and its financial advisor, that such Company Acquisition Proposal constitutes a Company Superior Proposal and that failure to take such action would reasonably be expected to be inconsistent with the Company Board's fiduciary duties to its stockholders under applicable Legal Requirements;

(ii) the Company delivers to Parent a written notice (the "Company Superior Proposal Notice") no less than four (4) Business Days in advance stating that the Company Board intends to make a Company Change in Recommendation and/or terminate this Agreement to concurrently enter into a definitive agreement with respect to such Company Acquisition Proposal, which notice shall include the identity of the Person making such Company Acquisition Proposal, a copy of such proposal, a draft of the definitive agreement to be entered into in connection therewith (or, if not in writing, the material terms and conditions thereof);

(iii) (A) during the four (4) Business Day period commencing on the date of Parent's receipt of such Company Superior Proposal Notice, if requested by Parent, the Company and its legal and financial advisors engage in good faith negotiations with Parent regarding a possible amendment of this Agreement so that the Company Acquisition Proposal that is the subject of the Company Superior Proposal Notice ceases to be a Company Superior Proposal; and (B) after the expiration of the negotiation period described in clause (A) above, the Company Board determines in good faith, after consultation with its outside legal counsel and its financial advisor, and after taking into account any amendments to this Agreement that Parent and Merger Sub have committed in writing to make as a result of the negotiations contemplated by clause (A) above, that such Company Acquisition Proposal continues to constitute a Company Superior Proposal; *provided, that*, if there is any change to any of the financial terms (including price or exchange ratio) or any other material terms of such Company Acquisition Proposal, the Company shall, in each case, be required to deliver to Parent an additional notice consistent with that described in clause (ii) above and a new negotiation period under clause (A) above shall commence (except that the original four (4) Business Day notice period referred to in clause (A) above shall be extended to ensure that at least two (2) Business Days remain therein), during which time the Company shall be required to comply with the requirements of this Section 4.5(c)(iii) anew with respect to such additional notice (but substituting the time periods therein with the foregoing two (2) Business Day period, as applicable); and

(iv) in the case of the Company terminating this Agreement to concurrently enter into a definitive agreement with respect to a Company Superior Proposal, the Company shall have paid, or caused the payment of, to Parent the Company Termination Fee in accordance with Section 6.3(a).

(d) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to obtaining the Required Company Stockholder Vote, other than with respect to a Company Acquisition Proposal, the Company Board may make a Company Change in Recommendation if and only if any state of fact, event, change, effect, circumstance, occurrence or development, or combination thereof arises following the date of this Agreement that (i) was not known or reasonably foreseeable by the Company Board on or prior to the date of this Agreement (or, if known or reasonably foreseeable, the material consequences of which were not known or reasonably foreseeable by the Company Board on or prior to the date of this Agreement), (ii) is material to the Company and the Company Subsidiaries, taken as a whole, (iii) does not result from the Company's material breach of Section 4.2(a), Section 4.3 or Section 4.5, and (iv) does not result from or relate to (A) a Company Acquisition Proposal or a Company Superior Proposal, (B) the public announcement, execution, or delivery of this Agreement, the identity of Parent or its Affiliates, or the public announcement, pendency or consummation of the transactions contemplated hereby (or the public announcement of any discussions among the parties related thereto) or (C) in each case in and of itself, any change in the trading price or trading volume of Company Common Stock or Parent Common Stock or the fact that the Company exceeds any internal or published projections, forecasts or estimates of its revenue, earnings or other financial performance or results of operations for any period (it being understood, however, that any underlying cause of any of the foregoing may be taken into account unless excluded pursuant to clauses (A) or (B)) (any such state of fact, event, change, effect, circumstance, occurrence, development, condition, circumstance, or combination thereof, being referred to as a "Company Intervening Event"); and, prior to making such Company Change in Recommendation, (1) the Company Board determines in good faith, after consultation with its outside legal counsel and its financial advisor, that, in light of such Company Intervening Event, a failure to effect a Company Change in Recommendation would reasonably be expected to be inconsistent with the Company Board's fiduciary duties to its stockholders under applicable Legal Requirements; (2) not less than four (4) Business Days prior to the making of such Company Change in Recommendation, Parent receives a written notice from the Company confirming that the Company Board intends to effect such Company Change in Recommendation, specifying the reasons therefor in reasonable detail; (3) during such four (4) Business Day period, if requested by Parent, the Company and its legal and financial advisors engage in good faith negotiations with Parent to amend this Agreement in such a manner so that the Company Intervening Event no longer forms the basis for the Company Board to effect a Company Change in Recommendation; and (4) following the end of such four (4) Business Day period, the Company Board determines in good faith, after consultation with its outside legal counsel and financial advisor and after taking into account any amendments to this Agreement that Parent and Merger Sub have committed in writing to make as a result of the negotiations contemplated by clause (3) above, that, in light of such Company Intervening Event, a failure to effect a Company Change in Recommendation would reasonably be expected to be inconsistent with the Company Board's fiduciary duties to its stockholders under applicable Legal Requirements, even if such changes committed to in writing were to be given effect.

(e) Notwithstanding any Company Change in Recommendation, unless this Agreement has been earlier terminated in accordance with Section 6.1 (including by the Company in order to concurrently enter into a definitive agreement with respect to a Company Superior Proposal), this Agreement shall be submitted to the holders of shares of Company Common Stock at the Company Stockholder Meeting for the purpose of voting on the adoption of this Agreement, and nothing contained in this Agreement shall be deemed to relieve the Company of such obligation.

(f) Nothing contained in this Agreement shall prohibit the Company, the Company Board or their Representatives from (i) taking and disclosing to the stockholders of the Company a position contemplated by Rule 14e-2(a) or complying with Rule 14d-9 promulgated under the Exchange Act or issuing a “stop, look and listen” statement to the stockholders of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act pending disclosure of its position thereunder, or (ii) directing any Person (or the Representative of that Person) who makes a Company Acquisition Proposal to the provisions of this Section 4.5; *provided, however*, that in the case of either clause (i) or clause (ii), no such communication or statement that would constitute a Company Change in Recommendation shall be permitted, made or taken except in accordance with Section 4.5(c) or Section 4.5(d).

4.6 Filings; Other Actions.

(a) Subject to the terms and conditions of this Agreement, each of the parties hereto shall cooperate with the other and use (and shall cause their respective Subsidiaries to use) their respective reasonable best efforts to: (i) take, or cause to be taken, all actions, and do, or cause to be done, all things, reasonably necessary to cause the conditions to Closing to be satisfied as promptly as reasonably practicable (and in any event no later than the End Date) and to consummate and make effective, as promptly as practicable, the transactions contemplated by this Agreement, including preparing and filing promptly and fully all documentation to effect all necessary and advisable filings, notifications, notices, petitions, statements, registrations, submissions of information, applications and other documents (including any required or recommended filings under applicable Antitrust Laws and FDI Laws) that are or may become necessary, proper or advisable in connection with the consummation of the transactions contemplated by this Agreement; (ii) obtain as promptly as reasonably practicable (and in any event no later than the End Date) all approvals, consents, clearances, expirations or terminations of waiting periods, registrations, permits, authorizations and other confirmations from any Governmental Entity or third party that are or may become necessary, proper or advisable to consummate the transactions contemplated by this Agreement; (iii) defend any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated by this Agreement; and (iv) subject to Section 4.6(a) of the Company Disclosure Schedule, obtain all necessary consents, approvals or waivers from third parties.

(b) Each party shall use their respective reasonable best efforts to file, as soon as practicable and advisable after the date of this Agreement, all notices, reports and other documents required to be filed by such party with any Governmental Entity with respect to the Merger and the other transactions contemplated by this Agreement, and to submit as promptly as reasonably practicable any additional information requested by any such Governmental Entity. Without limiting the generality of the foregoing, each of Parent and the Company shall, in consultation and cooperation with the other and as promptly as practicable and advisable after the date of this Agreement, but in no event later than as required by applicable Legal Requirements, prepare and file, or pre-file with regard to any Governmental Entity that requires such pre-filing prior to any formal filing of, all notifications required under any Legal Requirement with respect to any other Antitrust Laws; *provided, however*, that for the avoidance of doubt, Parent and the Company previously filed relevant notifications required under the HSR Act on July 17, 2026, and were granted early termination of the HSR waiting period by the Federal Trade Commission on August 12, 2026. Parent and the Company shall use their respective reasonable best efforts to respond as promptly as reasonably practicable to any inquiries or requests for additional information or documentary material received from any state attorney general, antitrust authority or other Governmental Entity in connection with antitrust or related matters.

(c) Subject to the provisions of the Non-Disclosure Agreement, Parent and the Company each shall promptly supply the other with any information that may be required in order to effectuate any filings (including applications) pursuant to (and to otherwise comply with its obligations set forth in) Section 4.6(a) and Section 4.6(b). Each of Parent and the Company, as it deems advisable and necessary, may reasonably designate competitively sensitive material provided to the other as “outside counsel only” or with similar restrictions. Each of Parent and the Company may also reasonably redact the material as necessary to (i) comply with applicable Legal Requirements or (ii) prevent the loss of protection under the attorney-client privilege or the attorney work product doctrine. Such materials and the information contained therein shall be given only to the outside legal counsel of the recipient, or otherwise as the restriction indicates, and be subject to any additional confidentiality or joint defense agreement between the parties. Except where prohibited by applicable Legal Requirements or any Governmental Entity, and subject to the provisions of the Non-Disclosure Agreement, each of Parent and the Company shall: (i) consult with the other in good faith prior to taking a position with respect to any filing required or advisable pursuant to Section 4.6(a) and Section 4.6(b); (ii) permit the other to review and discuss in advance, and consider in good faith the views of the other in connection with, any analyses, appearances, presentations, memoranda, letters, responses to requests, briefs, white papers, arguments, opinions and proposals before making or submitting any of the foregoing to any Governmental Entity by or on behalf of any party in connection with any such filing or any Legal Proceeding in connection with this Agreement or the transactions contemplated hereby; (iii) coordinate with the other in preparing and exchanging such information; (iv) promptly provide the other party’s counsel with copies of all filings, notices, analyses, presentations, memoranda, letters, responses to requests, briefs, white papers, opinions, proposals and other submissions (and a summary of any oral presentations) made or submitted by such party with or to any Governmental Entity in connection with any filing required by Section 4.6(a) and Section 4.6(b) in connection with this Agreement or the transactions contemplated hereby; and (v) consult with the other party in advance of any substantive meeting, video conference or teleconference with any Governmental Entity or, in connection with any proceeding by a private party, with any other Person, and, to the extent not prohibited by the Governmental Entity or other Person, give the other party the reasonable opportunity to attend and participate in such substantive meetings, video conferences and teleconferences. Notwithstanding anything to the contrary contained in this Section 4.6 or elsewhere in this Agreement, Parent shall: (i) control, lead, direct, and implement the strategy for seeking and securing any actions or consents of any Governmental Entity under applicable Antitrust Laws or FDI Laws with respect to the transactions contemplated by this Agreement, including with respect to proposing, developing, or negotiating any Regulatory Remedies or any other commitments, consents or remedies with any Governmental Entity intended to avoid, resolve or lift a Relevant Legal Restraint or Legal Proceeding (*provided* that Parent consults with and considers in good faith any comments of the Company or its Representatives relating to such strategy), and coordinate any contacts with any Governmental Entity, *provided however*, that Parent shall not commit to or agree (or permit any of Parent’s Representatives to commit to or agree) with any Governmental Entity to stay, toll or extend any applicable waiting period under any applicable Antitrust Law without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), *provided further* however, that Parent shall have the right to take the lead in all meetings, communications, discussions and negotiations with any Governmental Entity in connection with obtaining any such action or consent.

(d) Notwithstanding anything to the contrary in this Agreement, Parent shall use reasonable best efforts to take, or cause to be taken, all actions necessary to avoid or eliminate each and every impediment under applicable Antitrust Laws and FDI Laws to enable the parties to close the transaction as promptly as practicable, and in any event prior to the End Date, including using reasonable best efforts in connection with (i) proposing, negotiating, committing to and effecting, whether by consent decree, hold separate orders, or otherwise, to sell, divest, hold separate, lease, license, transfer, dispose of, commit to behavioral or conduct remedies, or otherwise encumber, limit or impair or take any other action with respect to Parent's or any of its Affiliates' ability to own or operate any assets, properties, businesses or product lines of Parent or any of its Affiliates or assets, properties, businesses or product lines of the Company or any of its Affiliates ("Regulatory Remedies"); and (ii) avoiding the entry of any permanent or preliminary injunction or other Order that would make consummation of the contemplated transaction unlawful or that would otherwise prevent or delay consummation of the contemplated transaction; *provided, that*, anything to the contrary set forth in this Agreement notwithstanding, (I) the Company and the Company Subsidiaries shall not enter into or make any consents, offers, agreements or commitments with respect to the actions contemplated by clauses (i) and (ii) except as and to the extent requested in writing by Parent, (II) no party shall be required pursuant to the foregoing to commit to or effect any action that is not conditioned upon the consummation of the Merger, and (III) nothing in this Section 4.6(d) or any other part of this Agreement shall require Parent or its Subsidiaries to offer or agree to any Regulatory Remedies or take any other action that, individually or in the aggregate, would have a material adverse effect on (A) the business or financial condition of the Company and its Subsidiaries, taken as a whole, or (B) the business or financial condition of the Parent and its Subsidiaries, taken as a whole, including for purposes of this clause (B) the benefits reasonably expected to be realized by Parent through the consummation of the Merger and the other transactions contemplated hereby, which effect for purposes of this clause (B) will be measured on a scale and size relative to the scale and size of the Company and its Subsidiaries, taken as a whole.

(e) In furtherance and not in limitation of the covenants of the parties contained in this Section 4.6, if any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by this Agreement as violative of any Antitrust Law, each of Parent and the Company, through the End Date, shall use reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement.

(f) Parent agrees that, prior to the earlier of the Effective Time and the termination of this Agreement pursuant to Section 6.1, it shall not, and shall ensure that none of Parent Subsidiaries or Affiliates shall, consummate, enter into any agreement providing for, or authorize, announce, commit to or approve, any investment, acquisition, business combination, merger or other transaction involving any Person or Persons that would reasonably be determined to compete with any of the Company or its Affiliates that would reasonably be expected to materially delay, materially impede or prevent the consummation of the transactions contemplated by this Agreement.

4.7 Merger Sub.

(a) During the period from the date of this Agreement through the earlier of the Effective Time or the date of termination of this Agreement, Merger Sub shall not engage in any activities of any nature except as provided in or contemplated by this Agreement and matters ancillary thereto.

(b) Parent shall ensure that Merger Sub duly performs, satisfies and discharges on a timely basis each of the covenants, obligations and liabilities of Merger Sub under this Agreement, and Parent shall be jointly and severally liable with Merger Sub for the due and timely performance and satisfaction of each such covenant, obligation and liability.

(c) Promptly following the execution of this Agreement, Parent shall execute and deliver, in accordance with the DGCL and in its capacity as the sole stockholder of Merger Sub, a written consent adopting this Agreement.

4.8 Publicity; Confidentiality.

(a) Parent and the Company shall consult with one another prior to issuing, and shall provide each other with the opportunity to review and comment upon, any public announcement, statement or other disclosure with respect to this Agreement or the Merger and shall not issue any such public announcement or statement without the other party's written consent (not to be unreasonably withheld, conditioned or delayed), except as may be required by applicable Legal Requirement or by the rules and regulations of Nasdaq (in which event Parent or the Company, as applicable, shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other party to review and comment upon such public announcement or statement in advance, and shall give due consideration to all reasonable additions, deletions or changes suggested thereto by Parent or the Company, as applicable); *provided, that*, (i) each of the Company and Parent may make public announcements, statements or other disclosures concerning this Agreement or the Merger that consist solely of information previously disclosed in previous public announcements, statements or other disclosures made by the Company and/or Parent in compliance with this Section 4.8, (ii) each of the Company and Parent may make any public statements in response to questions by the press, analysts, investors or those participating in investor calls or industry conferences, and make internal announcements to employees, so long as such statements are consistent with (and not materially expansive of) information previously disclosed in previous press releases, public disclosures or public statements made by the Company and/or Parent in compliance with this Section 4.8, (iii) the Company need not consult with Parent in connection with any public announcement, statement or other disclosure to be issued or made with respect to any Acquisition Proposal or Company Change in Recommendation, in each case, in compliance with Sections 4.3 and 4.5 and (iv) neither party need consult with (or obtain the consent of) the other party in connection with any press release, public statement or filing in connection with any Legal Proceeding between the parties related to this Agreement or any of the transactions contemplated hereby.

(b) Notwithstanding anything therein to the contrary, the term of the Non-Disclosure Agreement, other than Section 11 thereof (the obligations of Semiconductor Components Industries, LLC under which terminated on June 25, 2026), shall be extended, as applicable, and the Non-Disclosure Agreement shall remain in full force and effect in accordance with its terms until the earlier of (i) the later of (I) the expiration of the Non-Disclosure Agreement pursuant to Section 18 thereof or (II) the date that is one (1) year following the termination of this Agreement and (ii) the Effective Time, at which time the Non-Disclosure Agreement shall automatically terminate without further action; *provided* that, if the Non-Disclosure Agreement is terminated pursuant to the preceding clause (i), then any provisions that survive the termination of the Non-Disclosure Agreement pursuant to its terms shall so survive. All information subject to the Clean Team Agreement or the Joint Defense Agreement shall remain so subject.

4.9 Company ESPP; Other Employee Benefits.

(a) To the extent not approved on or prior to the date of this Agreement, as soon as practicable following the date of this Agreement, the Company shall take such action as may be necessary to: (i) cause any offering period (or similar period during which shares may be purchased) underway as of the date hereof under the Company ESPP to be the final offering period under the Company ESPP, such that no new offering period will commence under the Company ESPP after the date hereof, and the current offering period underway shall be terminated no later than the Business Day immediately preceding the anticipated Closing Date (the "Final Exercise Date"), (ii) make any pro-rata adjustments that may be necessary to reflect the shortened offering period (or similar period), but otherwise treat such shortened offering period (or similar period) as a fully effective and completed offering period for all purposes under the Company ESPP, (iii) cause each participant's outstanding purchase right under the Company ESPP (the "Company ESPP Rights") to be exercised as of the Final Exercise Date, (iv) provide that no new participants enroll in the Company ESPP after the date hereof and that no current participant in the Company ESPP can increase his or her payroll deductions from those in effect on the date hereof, and (v) terminate the Company ESPP as of the Effective Time. On the Final Exercise Date, the funds credited as of such date under the Company ESPP within the associated accumulated payroll withholding account for each participant under the Company ESPP shall be used to purchase shares of Company Common Stock in accordance with the terms of the Company ESPP, and each share purchased thereunder immediately prior to the Effective Time shall be cancelled at the Effective Time and converted into the right to receive the Merger Consideration in accordance with Section 1.5(a). Any accumulated contributions of each participant under the Company ESPP as of immediately prior to the Effective Time shall, to the extent not used to purchase shares in accordance with the terms and conditions of the Company ESPP (as amended pursuant to this Section 4.9(a)), be refunded to such participant as promptly as practicable following the Effective Time (without interest). No further Company ESPP Rights shall be granted or exercised under the Company ESPP after the Final Exercise Date. The Company shall provide timely notice to participants of the setting of the Final Exercise Date and termination of the Company ESPP in accordance with the Company ESPP (such notices to be provided in advance to Parent for Parent's review and comment no later than three (3) Business Days prior to the planned date of distribution of such notices to participants). Each participant in the Company ESPP who purchases shares thereunder on the Final Exercise Date shall have the right to receive their Merger Consideration in accordance with Section 1.5(a).

(b) During the period commencing on the Closing Date and ending on the date that is twelve (12) months after the Closing Date, Parent shall, or shall cause one of its Subsidiaries (including the Surviving Corporation and the Surviving Corporation's Subsidiaries) to provide: (i) each employee of the Company or any Company Subsidiary who continues employment with Parent or any of its Subsidiaries (including the Surviving Corporation and the Surviving Corporation's Subsidiaries) after the Effective Time (a "Continuing Employee") with an annual base salary or base wage rate and total target cash incentive opportunity (excluding equity and equity-based compensation opportunities) that is no less favorable in the aggregate than the annual base salary or base wage rate and total target cash incentive opportunity (excluding equity and equity-based compensation opportunities) that was provided to such Continuing Employee by the Company and the Company Subsidiaries immediately prior to the Effective Time and (ii) each Continuing Employee with employee benefits (excluding any benefits provided under any defined benefit pension plan, or post-retirement medical plan or nonqualified deferred compensation, severance, cash, equity, equity-based, transaction, change in control, or retention benefit plan) that are substantially comparable in the aggregate to either (A) those provided to such Continuing Employee by the Company and the Company Subsidiaries immediately prior to the Effective Time, or (B) those provided to similarly situated employees of Parent or Parent's Subsidiaries. Notwithstanding the foregoing, the compensation, benefits and other terms and conditions of employment for the Continuing Employees located outside the United States shall be in compliance with applicable Legal Requirements.

(c) Except as otherwise agreed between a Continuing Employee and Parent, Parent shall or shall cause its Subsidiaries (including the Surviving Corporation and the Surviving Corporation's Subsidiaries) to assume, honor and maintain the Change of Control Agreements as in effect on the date of this Agreement and listed in Section 2.18(i) of the Company Disclosure Schedule and provide, to each Continuing Employee who experiences a termination of employment in a manner that would entitle such Continuing Employee to payments or benefits under such Change of Control Agreements, payments and benefits in accordance with the terms thereof. Parent hereby acknowledges that the consummation of the transactions contemplated hereby will constitute a "change in control" of the Company (or similar phrase) within the meaning of the Change of Control Agreements and the Company Equity Agreements. Each Continuing Employee who is party to a Change of Control Agreement (and his or her respective heirs, executors, administrators, legal representatives and assigns) is an intended third-party beneficiary of this Section 4.9(c), with full rights of enforcement as if a party hereto.

(d) All service of the Continuing Employees to the Company and the Company Subsidiaries and their respective predecessors shall be recognized (i) for purposes of determining eligibility to participate, vesting and accrual and level of benefits with respect to each Parent Plan (including, but not limited to, any Parent Plan related to vacation and severance benefits, but excluding any Parent Plan related to defined benefit pension, post-retirement medical, cash, equity, equity-based, nonqualified deferred compensation, retention, transaction, and change in control benefits) pursuant to which service credit is provided to any Parent Employee, in each case in which any Continuing Employee will participate after the Effective Time, except to the extent such recognition would result in the duplication of benefits or service was not recognized under an applicable Company Plan prior to the Effective Time and (ii) for such other purposes and entitlements as are required by applicable Legal Requirements. In addition, Parent or the Parent Subsidiaries (including the Surviving Corporation and the Surviving Corporation's Subsidiaries), as applicable, shall use reasonable best efforts to cause each Parent Plan that is a group health plan (regardless of whether subject to ERISA) to: (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements to the same extent such limitations would have been waived or satisfied under the Company Plan the Continuing Employee participated in immediately prior to coverage under the Parent Plan, other than preexisting condition limitations, exclusions or waiting periods that are already in effect with respect to such Continuing Employees and that have not been satisfied or waived as of the Effective Time under the analogous welfare benefit plan maintained for the Continuing Employees immediately prior to the Effective Time; and (ii) recognize for each Continuing Employee and his or her spouse, domestic partner and dependents for purposes of applying annual deductible, co-payment and out-of-pocket maximums under such Parent Plan any deductible, co-payment and out-of-pocket expenses paid by the Continuing Employee and his or her spouse, domestic partner and dependents under an analogous Company Plan during the plan year of such plan in which occurs the date on which the Continuing Employee begins participation in such Parent Plan.

(e) Parent shall or shall cause its Subsidiaries (including the Surviving Corporation and the Surviving Corporation's Subsidiaries) to pay to each Continuing Employee who participates in an annual bonus plan covering the Company's fiscal year in which the Effective Time occurs, a prorated annual bonus for the portion of the fiscal year through the Effective Time, with each such bonus (i) calculated based on target level performance attainment, and (ii) paid in a single lump sum within fifteen (15) days following the Effective Time.

(f) Unless requested by Parent no later than ten (10) Business Days before the Closing Date to not terminate such plan, the Company Board (or the appropriate committee thereof) shall adopt resolutions and take such corporate action as is reasonably necessary to terminate the Company's 401(k) plan (the "Company 401(k) Plan"), effective as of the day prior to the Closing Date and contingent upon the occurrence of the Closing, and provide that participants in the Company 401(k) Plan shall become fully vested in any unvested portion of their Company 401(k) Plan accounts as of the date such plan is terminated. In the event that the Company 401(k) Plan is to be terminated, (i) the Company shall provide Parent with evidence that such plan has been terminated (the form and substance of which shall be subject to reasonable prior review and comment by Parent) not later than the day preceding the Closing Date and (ii) following the Effective Time and as soon as reasonably practicable following receipt of a favorable determination letter from the IRS on the termination of the Company 401(k) Plan, if applicable the assets thereof shall be distributed to the participants, and Parent shall, to the extent permitted by Parent's 401(k) plan (the "Parent 401(k) Plan"), cause the Parent 401(k) Plan to accept from the Company 401(k) Plan the "direct rollover" of the account balance (including, subject to the next sentence, the in-kind rollover of promissory notes evidencing all outstanding loans that are not in default) of each Continuing Employee who participated in the Company 401(k) Plan as of the date such plan is terminated and who elects such direct rollover in accordance with the terms of the Company 401(k) Plan and the Code. The Company and Parent shall cooperate in good faith to work with the Company 401(k) Plan and Parent 401(k) Plan recordkeepers to develop a process and procedure for effecting the in-kind direct rollover of promissory notes evidencing participant loans from the Company 401(k) Plan to the Parent 401(k) Plan, and the obligation of the Parent 401(k) Plan to accept the direct rollover of loan promissory notes is conditioned on the development of a loan rollover process and procedure that is acceptable to the respective recordkeepers. In the event that a process and procedure acceptable to the Company 401(k) Plan and Parent 401(k) Plan recordkeepers for effecting the in-kind rollover of loan promissory notes is agreed upon, the Company and Parent shall take any and all commercially reasonable actions needed to permit each Continuing Employee with an outstanding loan balance under the Company 401(k) Plan as of the Closing Date to continue to make scheduled loan payments to the Company 401(k) Plan after the Closing, pending the distribution and in-kind rollover of such promissory notes evidencing such loans, so as to prevent, to the extent reasonably possible, a deemed distribution or loan offset with respect to such outstanding loans.

(g) The provisions of this Section 4.9 are solely for the benefit of the parties and nothing in this Section 4.9 or elsewhere in this Agreement, expressed or implied, is intended to or shall be construed to create a right in any employee of the Company or any of the Company Subsidiaries any right, benefit or remedy of any nature whatsoever, including to employment or continued employment with Parent, the Surviving Corporation or any of their respective Subsidiaries or any right to a particular term or condition of employment or any right to any specific compensation or benefits, nor shall interfere with or restrict in any way the rights of Parent or any of its Affiliates, which rights are hereby expressly reserved, to discharge or terminate the services of any Continuing Employee at any time for any reason whatsoever, with or without cause, except to the extent expressly provided otherwise in a written agreement between Parent, the Company or any of their respective Affiliates and the Continuing Employee. Nothing in this Agreement shall be deemed to constitute an establishment, adoption, amendment, modification or termination of, or to, any compensation or benefit plan, program, agreement or arrangement of Parent, the Company or their respective Affiliates. Nothing herein shall be construed to limit the right of Parent, the Surviving Corporation or any of their respective Subsidiaries to establish, adopt, amend, modify or terminate any Parent Plan, any Company Plan or any other employee benefit plan, program, policy, agreement or arrangement. Notwithstanding any provision in this Agreement to the contrary, nothing in this Section 4.9 shall create any third party rights, benefits or remedies of any nature whatsoever in any current or former employee of the Company or any of the Company Subsidiaries (or any beneficiaries or dependents thereof) or any other Person that is not a party to this Agreement; *provided, however*, that the foregoing shall not limit or otherwise affect the right of any Continuing Employee who is a party to a Change of Control Agreement as an intended third-party beneficiary of Section 4.9(c) as set forth therein.

4.10 Indemnification; Directors' and Officers' Insurance.

(a) For a period of six (6) years after the Effective Time, Parent shall cause the Surviving Corporation to indemnify and hold harmless, and provide advancement of expenses to, to the fullest extent permitted by the Organizational Documents of the Company or any of the Company Subsidiaries in effect as of the date hereof, all current or former directors, officers, members and managers of the Company or any of the Company Subsidiaries, and any Person who at any time prior to the Effective Time was serving, at the written request of the Company or any of the Company Subsidiaries, as a director, officer, member, or manager of another entity or as a fiduciary of a Company Plan (collectively, the "Indemnified Parties") in respect of acts or omissions occurring or alleged to have occurred at or prior to the Effective Time (including acts or omissions in connection with the approval of this Agreement and the consummation of the Merger and the related transactions), whether asserted or claimed prior to, at or after the Effective Time, in connection with such service. The parties hereto agree that for six (6) years after the Effective Time all rights to elimination or limitation of liability, indemnification, exculpation or advancement of expenses for acts or omissions occurring or alleged to have occurred at or prior to the Effective Time (including acts or omissions in connection with the approval of this Agreement and the consummation of the Merger and the related transactions), whether asserted or claimed prior to, at or after the Effective Time, now existing in favor of the Indemnified Parties as provided in the Organizational Documents of the Company or any of the Company Subsidiaries or in any written agreement between the Company or any of the Company Subsidiaries and an Indemnified Party that is publicly filed with the SEC or set forth in Section 4.10(a) of the Company Disclosure Schedule shall survive the Merger and shall continue in full force and effect. For six (6) years after the Effective Time, the Surviving Corporation shall cause to be maintained in effect the provisions in: (i) the Organizational Documents of the Company and each of the Company Subsidiaries; and (ii) any other indemnification agreements of the Company or any of the Company Subsidiaries with any Indemnified Party, in each case, regarding exculpation, elimination or limitation of liability, indemnification and advancement of expenses that are in existence on the date of this Agreement and which have been made available to Parent, and no such provision shall be amended, modified or repealed in any manner that would adversely affect the rights or protections thereunder of any such Indemnified Party in respect of acts or omissions occurring or alleged to have occurred at or prior to the Effective Time (including acts or omissions occurring in connection with the approval of this Agreement and the consummation of the Merger or any of the related transactions) without the consent of such Indemnified Party, except to the extent required by applicable Legal Requirement.

(b) For a period of six (6) years following the Effective Time, Parent shall cause the Surviving Corporation to maintain in effect the Company's policy(ies) of directors' and officers' liability insurance in effect as of immediately prior to the Closing (or a comparable replacement policy(ies)) (the "D&O Policy") covering claims arising out of acts, omissions or other matters that occurred at or prior to the Effective Time (including for acts or omissions occurring in connection with this Agreement and the consummation of the transactions contemplated by this Agreement) and covering each of the Company and the Company Subsidiaries and their respective insured persons, in any case on terms with respect to coverage and amounts that are no less favorable to the insureds thereunder than the terms of the Company's directors' and officers' liability insurance in effect as of immediately prior to the Closing; *provided* that Parent shall not be required to expend for such D&O Policy an aggregate annual cost in excess of three hundred percent (300%) of the aggregate annual cost of the Company's directors' and officers' liability insurance in effect as of the date hereof (the "Maximum Amount"); and *provided further* that if the aggregate annual cost of the D&O Policy exceeds the Maximum Amount, then Parent shall cause the Surviving Corporation to maintain directors' and officers' liability insurance with the most favorable coverage available for a cost not exceeding the Maximum Amount. Notwithstanding anything to the contrary in this Agreement, in lieu of Parent's obligations under the first sentence of this Section 4.10(b), the Company shall, at Parent's request and in reasonable consultation with Parent, prior to the Effective Time, purchase six-year prepaid "tail" insurance on the D&O Policy covering claims arising out of acts, omissions or other matters that occurred at or prior to the Effective Time (including for acts or omissions occurring in connection with this Agreement and the consummation of the transactions contemplated by this Agreement) and covering each of the Company and the Company Subsidiaries and their respective insured persons, in any case, on terms with respect to coverage and amounts that are no less favorable to the insureds thereunder than the terms of the Company's directors' and officers' liability insurance in effect as of immediately prior to the Closing; *provided* that Parent shall not be required to expend for such D&O "tail" insurance an aggregate cost in excess of the Maximum Amount; and *provided further* that if the aggregate cost of the D&O "tail" insurance exceeds the Maximum Amount, then the Company shall, in reasonable consultation with Parent, obtain the most favorable "tail" insurance available for a cost not exceeding the Maximum Amount (unless otherwise directed by Parent to exceed the Maximum Amount). In the event that the Company purchases such "tail" insurance, Parent shall cause the Surviving Corporation to maintain such "tail" insurance in full force and effect and continue to honor its obligations thereunder, in lieu of all other applicable obligations of Parent and the Surviving Corporation under the first sentence of this Section 4.10(b). Notwithstanding anything in this Section 4.10 to the contrary, if any Indemnified Party notifies Parent on or prior to the sixth anniversary of the Effective Time of a matter in respect of which such Person has sought indemnification pursuant to this Section 4.10, the provisions of this Section 4.10 that require the Surviving Corporation to indemnify and advance expenses shall continue in effect with respect to such matter until the final disposition of all claims, actions, investigations, suits and proceedings relating thereto.

(c) The obligations under this Section 4.10 shall not be terminated, amended or otherwise modified in such a manner as to adversely affect any Indemnified Party (or any other Person who is a beneficiary under the D&O Policy or the "tail" insurance referred to in Section 4.10(b)) and any of such Person's heirs, executors, beneficiaries or representatives) without the prior written consent of such affected Indemnified Party or other Person who is a beneficiary under the D&O Policy or the "tail" insurance referred to in Section 4.10(b) (and, after the death of any of the foregoing Persons, such Person's heirs, executors, beneficiaries or representatives). Each of the Indemnified Parties or other Persons who are beneficiaries under the D&O Policy or the "tail" insurance referred to in Section 4.10(b) (and, after the death of any of the foregoing Persons, such Person's heirs and representatives) are intended to be third party beneficiaries of this Section 4.10, with full rights of enforcement as if a party thereto. The rights of the Indemnified Parties (and other Persons who are beneficiaries under the D&O Policy or the "tail" insurance referred to in Section 4.10(b)) (and their heirs and representatives)) under this Section 4.10 shall be in addition to, and not in substitution for, any other rights that such Persons may have under the Organizational Documents of the Company or any of the Company Subsidiaries, any and all indemnification agreements of or entered into by the Company or any of the Company Subsidiaries, or applicable Legal Requirements (whether at law or in equity).

(d) In the event that Parent, the Surviving Corporation or any of its respective Subsidiaries (or any of their respective successors or assigns) shall consolidate or merge with any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger, then in each case, to the extent necessary to protect the rights of the Indemnified Parties and other Persons who are beneficiaries under the D&O Policy or the “tail” insurance referred to in Section 4.10(b), proper provision shall be made so that the continuing or surviving corporation or entity (or its successors or assigns, if applicable) shall assume the respective obligations of Parent, the Surviving Corporation or its Subsidiaries, as the case may be, set forth in this Section 4.10.

4.11 Stockholder Litigation. The Company shall as promptly as reasonably practicable provide Parent with written notice of, and copies of all pleadings and material correspondence relating to, any Legal Proceeding or threatened in writing Legal Proceeding against the Company or any of its Subsidiaries, directors or officers by any holder of shares of Company Common Stock arising out of or relating to this Agreement or the transactions contemplated by this Agreement, including the Proxy Statement or any previously-filed registration statement on Form S-4 or proxy statement/prospectus (each, a “Transaction Litigation”), and shall keep Parent reasonably informed with respect to the status thereof. The Company shall provide Parent with the opportunity to participate, at Parent’s sole cost and expense, in the defense of any Transaction Litigation. For purposes of this Section 4.11, “participate” shall mean that the Company shall keep Parent reasonably apprised of the proposed strategy and other significant decisions with respect to any Transaction Litigation, and Parent may offer comments or suggestions with respect to such Transaction Litigation, which the Company shall consider in good faith; *provided, that*, the Company shall, subject to its consultation with Parent and good faith consideration of Parent’s views, control the defense, strategy, and settlement thereof. The Company shall not compromise, settle, or come to an arrangement regarding any Transaction Litigation without the prior written consent of Parent (not to be unreasonably withheld, conditioned, or delayed with respect to any such settlement that requires only the payment of monetary amounts by the Company).

4.12 Stock Exchange Delisting. Prior to the Effective Time, the Company shall cooperate with Parent and shall take all preparatory actions reasonably requested by Parent in connection therewith (including coordinating with Nasdaq to provide any required advance notice of the anticipated delisting of the Company Common Stock and preparing any filings required to be made with the SEC in connection with the deregistration of the Company Common Stock under the Exchange Act, including a Form 25 and a Form 15), to facilitate the delisting of the shares of Company Common Stock from Nasdaq and the deregistration of the Company Common Stock under the Exchange Act following the Effective Time. Following the Effective Time, Parent shall, or shall cause the Surviving Corporation to, take all actions necessary to cause the shares of Company Common Stock to be delisted from Nasdaq and deregistered under the Exchange Act, including by causing the Surviving Corporation to (i) file (or request that Nasdaq file, as applicable) a Form 25 with the SEC to remove the Company Common Stock from listing on Nasdaq and terminate the registration of the Company Common Stock under Section 12(b) of the Exchange Act, and (ii) following the effectiveness of such Form 25, file a Form 15 with the SEC to suspend the Surviving Corporation’s reporting obligations under Section 15(d) of the Exchange Act, in each case as soon as practicable after the Effective Time.

4.13 Section 16 Matters. Prior to the Effective Time, the Parent Board and the Company Board, respectively, shall take all actions that may be required or appropriate to cause any dispositions of shares of Company Common Stock (including derivative securities with respect to shares of Company Common Stock) or acquisitions of Parent Common Stock (including derivative securities with respect to Parent Common Stock) in connection with the transactions contemplated by ARTICLE I by each individual who is, or as a result of the transactions contemplated by this Agreement will be, subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company or is, or will as a result of the transactions contemplated by this Agreement become, subject to such reporting requirements with respect to Parent, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

4.14 Director and Officer Resignations. If requested by Parent in writing at least five (5) Business Days before the Closing, the Company shall cause to be delivered to Parent prior to the Closing resignations, in form and substance reasonably satisfactory to Parent, executed by each director and officer of the Company and each Company Subsidiary in office as of immediately prior to the Effective Time, in each case, conditioned and effective upon the Effective Time.

4.15 Takeover Statutes. If any antitakeover or similar statute or regulation is or may become applicable to the transactions contemplated by this Agreement, each of the parties hereto and its respective Board of Directors shall (a) grant any approvals and take all actions necessary so that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated hereby and (b) otherwise act to eliminate or minimize the effects of any such statute or regulation on the transactions contemplated by this Agreement.

4.16 Treatment of Company Indebtedness.

(a) The Company shall use reasonable best efforts to (i) take any actions that may be required by the Company Indentures and the Company Convertible Note Hedge Obligations, as applicable, to be performed by the Company prior to the Effective Time, including, without limitation, as a result of the execution and delivery of this Agreement and the consummation of the Merger and the other transactions contemplated hereby, including, as may be applicable, (A) the giving of any notices, announcements, certificates, opinions, documents or instruments that the Company may be required to give prior to the Effective Time and (B) preparing any supplemental indentures required in connection with the Merger and the other transactions contemplated by this Agreement and the consummation thereof to be executed and delivered to the applicable trustee at or prior to the Effective Time, in form and substance reasonably satisfactory to the applicable trustee and Parent and (C) delivering any opinions of counsel required to be delivered on or prior to the Effective Time and any officer's certificates or other documents or instruments, as may be necessary to comply with all of the terms and conditions of the Company Indentures in connection with the Merger and the other transactions contemplated by this Agreement and (ii) provide to Parent reasonable prior notice of any such action, including, without limitation, drafts reasonably in advance of documents to be provided in connection with such actions and shall consider in good faith any comments from Parent thereto. In addition, until the Effective Time, the Company shall use reasonable best efforts to provide customary cooperation reasonably requested by Parent in connection with such requirements of the Company Indentures and the Company Convertible Note Hedge Obligations, as applicable, as may be required, or as Parent may deem desirable to undertake, in connection with the consummation of the Merger or the other transactions contemplated hereby.

(b) Upon Parent's request, prior to the Effective Time, the Company shall use reasonable best efforts to (i) engage in discussions with each of BNP Paribas, Deutsche Bank AG, London Branch (through its agent Deutsche Bank Securities, Inc.), The Toronto-Dominion Bank (represented by TD Securities (USA) LLC as its agent) and UBS AG, London Branch (represented by UBS Securities LLC as its agent), respectively (the "Capped Call Dealers"), with respect to, and cooperate with Parent to obtain the consent of each Capped Call Dealer for, the termination, settlement, cancellation, adjustment, modification and/or payment (in each case in whole or in part) of, as applicable, at or as promptly as practicable following the Effective Time, the Company Convertible Note Hedge Obligations, as applicable, and (ii) involve Parent in any discussions or negotiations with the Capped Call Dealers with respect to the termination, settlement, cancellation, adjustment, modification and/or payment (in each case in whole or in part) of, as applicable, the Company Convertible Note Hedge Obligations in connection with the consummation of the Merger. Prior to the Effective Time, the Company shall not (i) make any amendments, modifications or other changes to the terms of, or agree to any adjustment under or amounts due upon termination, cancellation or early settlement of any of the Company Convertible Note Hedge Obligations or (ii) exercise any right it may have to terminate, or cause the early settlement or cancellation of, any of the Company Convertible Note Hedge Obligations, without the prior written consent of Parent. The Company will promptly (and, in any event, within two (2) business days) provide to Parent a copy of any written notice received from a Capped Call Dealer in connection with the Company Convertible Note Hedge Obligations (including any written notice with respect to any determination, adjustment, cancellation, termination, exercise, settlement or computation in connection with the Company Convertible Note Hedge Obligations).

(c) For the avoidance of doubt, subject to Section 4.2(a), nothing contained herein shall prohibit the Company from issuing shares of Company Common Stock upon conversion of the Company Convertible Notes in accordance with and as required by the terms of the Company Convertible Notes Indenture, and complying with the terms of the Company Convertible Note Hedge Obligations in connection therewith, and nothing herein shall require the Company to effect a termination, repurchase or settlement of the Company Convertible Notes or the Company Convertible Note Hedge Obligations prior to the Closing; *provided, however*, that the Company will not make any settlement election (other than a deemed election of the "Default Settlement Method") under the Company Convertible Notes Indenture or the Company Convertible Note Hedge Obligations without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed).

(d) Upon Parent's request and at Parent's sole cost and expense (including with respect to principal of and interest on the Company Senior Notes), the Company (i) shall use reasonable best efforts to exercise its right to redeem, discharge, defease or make an offer to repurchase the Company Senior Notes (or any combination thereof) in accordance with the terms of the Company Senior Notes and the Company Senior Notes Indenture, any such redemption, discharge, defeasance or repurchase to be effective at the Effective Time or such later time as Parent may request, including, as may be applicable, the giving of any notices, announcements, certificates, opinions, documents or instruments that the Company may be required to give to effect such action pursuant to the terms of the Company Senior Notes and the Company Senior Notes Indenture, and (ii) shall provide Parent with drafts reasonably in advance of documents to be provided in connection with any such action and shall consider in good faith any comments from Parent thereto. Notwithstanding the foregoing, nothing in this Section 4.16 shall require the Company or any of the Company Subsidiaries to pay or deposit any amounts required to redeem, discharge, defease or repurchase the Company Senior Notes prior to the Effective Time, except to the extent such amounts and related expenses have been previously provided by Parent to the Company or the Company Subsidiaries, as applicable, in accordance with this Agreement.

(e) The Company shall use reasonable best efforts to deliver to Parent no later than the Closing Date (i) an executed payoff letter with respect to the Company Credit Agreement (the “Payoff Letter”) in form and substance customary for transactions of this type (and drafts at least five (5) Business Days prior to the Closing Date), from the administrative agent thereunder, which Payoff Letter together with any related release documentation shall, among other things, include the amount required to discharge the indebtedness owing thereunder (the “Credit Facility Payoff Amount”) and provide for the automatic termination of commitments thereunder and the automatic release of liens granted in connection therewith on the assets and properties of the Company and the Company Subsidiaries upon the payment of the Credit Facility Payoff Amount (such discharge, termination and release, the “Credit Facility Termination”), and (ii) all lien release documentation necessary to effect the release of any Liens and other security interests related to the Company Credit Agreement (including all necessary UCC-3 termination statements). Notwithstanding anything herein to the contrary, the Company shall not be required to cause the Credit Facility Termination to be effective unless and until the Effective Time has occurred and, if requested by the Company, Parent has provided or caused to be provided to the Company funds in an amount necessary to pay in full the Credit Facility Payoff Amount and to provide required cash collateral for any outstanding letters of credit thereunder.

4.17 Financing Cooperation.

(a) Prior to the Effective Time, the Company shall use reasonable best efforts to, and shall cause the Company Subsidiaries to use reasonable best efforts to, and shall use its reasonable best efforts to cause its and their Representatives to, provide to Parent and Merger Sub all customary cooperation that is reasonably requested by Parent and Merger Sub in connection with the Financing (including any Financing that is a capital markets issuance), including using reasonable best efforts to:

(vii) execute and deliver or provide, as applicable, customary evidence of authority, customary officer's certificates and customary insurance certificates, in each case, as reasonably requested by Parent and the Financing Sources;

(viii) take corporate or other organizational actions reasonably requested by Parent in connection with the consummation of Financing (which actions shall not be effective prior to the Effective Time); and

(b) Notwithstanding anything to the contrary in this Section 4.17, neither the Company nor any Company Subsidiary shall:

(i) be required to become an issuer or an obligor with respect to the Financing prior to the Effective Time;

(iii) be required to waive or amend any terms of this Agreement;

(iv) be required to (A) take or permit the taking of any action that would or could reasonably be expected to conflict with, violate or result in a default under any applicable Law, fiduciary duty, or Company Material Contract (or other material Contract binding on the Company) in each case existing as of the date hereof or (B) to provide access to or disclose information subject to any attorney-client, attorney work product or other legal privilege;

(v) be required to, nor shall any of their directors, employees, officers, members, partners or managers or other governing body be required to, adopt resolutions or consents to approve or authorize the Financing or the execution of the agreements, documents and instruments pursuant to which the Financing is obtained (it being acknowledged by the Parent and Merger Sub that any such resolutions or consents shall be derived exclusively from the authority of the board of directors or other applicable governing body of the Company and the Company Subsidiaries as constituted after giving effect to the Closing);

(vi) be required to (or be required to cause their Representatives to) execute, deliver or enter into, or perform any agreement, document or instrument (other than customary authorization letters and management representation letters expressly described in clause (a) of Section 4.17), including any credit or other agreements, guarantees, pledge or security documents or certificates in connection with the Financing, in each case, that would be effective prior to the Effective Time and any such execution, delivery, entry into or performance will only be required of the respective directors, employees, officers and natural person managers, members and partners of the Company and the Company Subsidiaries who retain their respective positions as of, and immediately after, the Effective Time (except in each case with respect to such customary authorization letters and management representation letters);

(vii) be required to (or be required to cause their Representatives to) agree to any amendment to, change to, waiver of or modification of any Contract that would be effective prior to the Effective Time;

(viii) be required to (or be required to cause their Representatives to) provide any indemnity that would be effective prior to the Effective Time;

(ix) be required to (or be required to cause their Representatives to) take or permit the taking of any action that would or could reasonably be expected to conflict with or violate any charter or other organizational documents of the Company or any of the Company Subsidiaries as in effect on the date hereof;

(x) be required to (or be required to cause their Representatives to) prepare or furnish (A) pro forma financial statements, (B) any financial statements, analyses or information not prepared in the ordinary course of its financial reporting practice or (C) forecasts, projections or legal opinions;

(xi) be required to take or permit the taking of any action that would or could reasonably be expected to cause any covenant, representation or warranty in this Agreement or any ancillary agreement related hereto to be breached or become inaccurate or that would or could reasonably be expected to cause any condition to Closing to fail to be satisfied;

(xii) be required to take or permit the taking of any actions that would or could reasonably be expected to unreasonably interfere with the business or operations of the Company or any Company Subsidiary; or

(xiii) be required to change any fiscal period prior to the Effective Time.

(c) All information regarding the Company or the Company Subsidiaries obtained by Parent, Merger Sub or their respective Representatives pursuant to this Section 4.17 from or on behalf of the Company shall be kept confidential in accordance with the Non-Disclosure Agreement; *provided* that, notwithstanding anything to the contrary herein or in the Non-Disclosure Agreement or the Clean Team Agreement, such information may be disclosed (i) to prospective lenders, underwriters, initial purchasers, dealer managers and agents during syndication and marketing of the Financing that enter into confidentiality arrangements customary for financing transactions of the same type as the Financing (including customary “click-through” confidentiality undertakings) and (ii) on a confidential basis to rating agencies.

(d) The Company hereby consents to the reasonable use of the Company's and the Company Subsidiaries' logos solely in connection with the marketing of the Financing; provided that such logos are used solely in a manner that is not intended to or reasonably likely to harm, disparage or otherwise adversely affect in any material respect the Company or the Company Subsidiaries or the reputation or goodwill of the Company or the Company Subsidiaries or any of their respective products, services, offerings or intellectual property rights.

(e) Promptly upon written request by the Company, Parent will reimburse the Company for any reasonable and documented out-of-pocket costs and expenses (including reasonable and documented out-of-pocket attorneys' fees) incurred by the Company, the Company Subsidiaries and their respective Representatives in connection with the cooperation required by this Section 4.17 that would not otherwise have been incurred, other than to the extent any such costs and expenses are incurred as a result of the gross negligence, bad faith or willful misconduct of the Company, any Company Subsidiary or their respective Representatives, or any such Person's material breach of this Agreement, or with respect to any material misstatement or omission in information provided in writing hereunder by any of the foregoing Persons for use in connection herewith or with the Financing.

(f) The Company, the Company Subsidiaries and its and their respective affiliates and Representatives will be indemnified and held harmless by Parent from and against any and all liabilities, losses, damages, claims, costs, expenses (including reasonable and documented out-of-pocket attorney's fees), interest, awards, judgments, penalties and amounts paid in settlement suffered or incurred by them in connection with the Financing, their cooperation pursuant to this Section 4.17 and any other action taken by them at the request of Parent or Merger Sub pursuant to this Section 4.17, including the provision of information (other than written information provided by or on behalf of the Company or any Company Subsidiary), other than to the extent any such liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments or penalties are the result of the gross negligence, bad faith or willful misconduct of the Company, any Company Subsidiary or their respective Representatives, or any such Person's material breach of this Agreement, or with respect to any material misstatement or omission in information provided in writing hereunder by any of the foregoing persons for use in connection with the Financing. The reimbursement obligations pursuant to Section 4.17(e) and the indemnification obligations pursuant to this Section 4.17(f) (collectively, the "Financing Indemnity") shall survive the termination of this Agreement.

(g) Each of Parent and Merger Sub hereby acknowledge and agree that obtaining the Financing or any other debt, equity or other financing is not a condition to the Merger, and that if neither the Financing nor any other debt, equity or other financing is obtained, Parent and Merger Sub will each continue to be obligated, subject to the satisfaction or waiver of the conditions set forth in ARTICLE V and the other terms hereof, to consummate the Merger.

(h) For the avoidance of doubt, the parties hereto acknowledge and agree that the provisions contained in this Section 4.17 represent the sole obligation of the Company, the Company Subsidiaries and their respective Representatives with respect to cooperation in connection with any Financing and no other provision of this Agreement (including the Exhibits and Schedules hereto) shall be deemed to expand or modify such obligations; provided that nothing in this Section 4.17 shall limit or modify the Company's or the Company Subsidiaries' obligations under Section 4.16 or any other provisions of this Agreement that does not relate to cooperation in connection with the Financing.

(i) Notwithstanding anything in this Agreement to the contrary, and without limiting Parent's right to seek specific performance or other equitable relief to cause the Company to comply with this Section 4.17 pursuant to Section 7.11, for purposes of determining whether any of the conditions to Closing set forth in Section 5.2 have been satisfied, the Company and the Company Subsidiaries shall be deemed to be in compliance with this Section 4.17 unless Parent's failure to obtain the Committed Financing and any Alternative Financing was due primarily to a material breach by the Company of its obligations under this Section 4.17.

4.18 Notification of Certain Events.

(a) Each of the Company and Parent shall, as promptly as reasonably practicable, notify the other party upon becoming aware that any representation or warranty made by it in this Agreement has become untrue or inaccurate, or of any failure of such party to comply with or satisfy any covenant or agreement to be complied with or satisfied by it under this Agreement, in each case, such that the applicable condition to the Merger would reasonably be expected to fail to be satisfied; *provided, however*, that no such notification shall affect or be deemed to modify any representation or warranty of the notifying party set forth herein or the conditions to the obligations of the other party to consummate the Merger, or the remedies available to the parties hereto. The Company shall, as promptly as reasonably practicable, notify Parent, to the extent the Company has knowledge of such notice or communication, of any written communication from any Person alleging that the consent of such Person is required in connection with the Merger, and the failure to obtain such consent would reasonably be expected to have a material impact on the Company and the Company Subsidiaries, taken as a whole, or the combined company.

(b) The Company shall, in connection with the preparation of each of its quarterly financial statements during the period between the date of this Agreement and the Effective Time, determine whether both of the following conditions are satisfied as of the last day of the applicable fiscal quarter: (i) the Company's distributor weeks of inventory as of such date exceeds 1.15 times the average distributor weeks of inventory for the trailing twelve (12)-month period ending on such date; and (ii) the aggregate value of the Company's inventory as of such date (determined in accordance with GAAP applied on a basis consistent with the Company's past practice) exceeds 1.15 times the average aggregate value of the Company's inventory for the trailing twelve (12)-month period ending on such date. If both conditions set forth in clauses (i) and (ii) above are satisfied as of the last day of any such fiscal quarter, the Company shall notify Parent as promptly as reasonably practicable following the date on which such determination is made. For the avoidance of doubt, (A) no notification shall be required under this Section 4.18(b) unless both conditions set forth in clauses (i) and (ii) above are simultaneously satisfied as of the last day of the applicable fiscal quarter and (B) providing such notification shall be the Company's sole obligation with respect to such conditions (i.e., the existence of such conditions shall not in and of themselves constitute a breach of this Agreement).

(c) The failure by a party to deliver any notice pursuant to this Section 4.18 shall not affect any of the conditions set forth in ARTICLE V or factor into whether any right to terminate under ARTICLE VI may arise unless such failure was due to such party's intentional and material breach of the preceding terms of this Section 4.18.

4.19 Financing.

(a) Parent shall, and shall cause its Subsidiaries to, use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to arrange, consummate and obtain the Committed Financing on or prior to the Closing, on the terms and subject solely to the conditions (including, to the extent applicable, the "market flex" provisions) described in the Debt Commitment Letter, including using its, and causing its Subsidiaries to use their, reasonable best efforts to: (i) maintain in full force and effect the Debt Commitment Letter in accordance with its terms, (ii) timely (and in any event by the Closing) negotiate, enter into and deliver definitive agreements with respect to the Committed Financing (the "Definitive Financing Documents"), on the terms and subject solely to the conditions (including, to the extent applicable, the "market flex" provisions) described in the Debt Commitment Letter, (iii) satisfy (or obtain a waiver of) on a timely basis all conditions and comply on a timely basis with (or obtain a waiver of) all covenants and obligations applicable to Parent or any of its Subsidiaries in the Debt Commitment Letter and the Definitive Financing Documents, (iv) enforce all of its rights under the Debt Commitment Letter and the Definitive Financing Documents in a timely and diligent manner, and (v) consummate the Committed Financing no later than the Closing.

(b) Parent shall not (and shall cause its Subsidiaries not to) amend, restate, supplement or modify, replace (or replace any commitment under), or grant any consent or waive any provision under, the Debt Commitment Letter or the Definitive Financing Documents, in whole or in part, without the prior written consent of the Company if such amendment, restatement, supplement, replacement, modification, consent or waiver would or would reasonably be expected to: (i) impose new or additional conditions or otherwise expand or adversely amend or modify any conditions to the Committed Financing; (ii) reduce (or have the effect of reducing) the aggregate amount of the Committed Financing (including by increasing the amount of fees to be paid or original issue discount) to an amount that would result in Parent having insufficient funds to pay the Required Amounts, (iii) impede, delay, prevent or otherwise adversely impact the consummation of the Merger and the other transactions contemplated hereby or the funding of the Committed Financing (or satisfaction of the conditions to the Committed Financing) or make the funding of the full amount of the Committed Financing less likely to occur on or prior to the Closing, or (iv) adversely impact the ability of Parent to enforce its rights against the other parties to the Debt Commitment Letter or the Definitive Financing Documents (it being understood that Parent may (notwithstanding anything to the contrary in the Non-Disclosure Agreement or the Clean Team Agreement) amend, restate, modify or supplement the Debt Commitment Letter or the Definitive Financing Documents solely to add lenders, lead arrangers, bookrunners, underwriters, syndication agents or similar entities that have not executed the Debt Commitment Letter as of the date of this Agreement without the Company's consent (provided that, for the avoidance of doubt, such amendment, restatement, modification or supplement shall otherwise comply with this clause (b)). Parent shall promptly deliver to the Company true and complete copies of any amendment, restatement, supplement, replacement, modification or waiver of or to, or consent under, the Debt Commitment Letter; provided that any fee letter to be delivered by Parent in connection herewith may be customarily redacted as provided for in Section 3.8(a).

(c) In the event that, at any time prior to the Effective Time, any portion of the Committed Financing becomes unavailable for any reason such that Parent would not have available cash, after giving effect to all other sources of cash that would be available to Parent on the Closing Date, to satisfy Parent's payment obligations under this Agreement due on the Closing Date, including payment of the Required Amounts, (i) Parent shall notify the Company in writing thereof as promptly as practicable after obtaining knowledge thereof, and (ii) Parent shall use its reasonable best efforts to obtain as promptly as practicable following the occurrence of such event, alternative debt financing (A) in an amount sufficient, together with the available portion of the Financing and all other sources of cash that would be available to Parent on the Closing Date, to consummate the Merger on the Closing Date and to otherwise pay the Required Amounts, (B) that does not impose new or additional conditions precedent or expand upon the conditions precedent to the Committed Financing as set forth in the Debt Commitment Letter (as in effect on the date of this Agreement), and (C) which would not reasonably be expected to impede, delay, prevent or otherwise adversely impact the consummation of the Merger and the other transactions contemplated hereby (an "Alternative Financing").

(d) Upon (i) obtaining any commitment for any Alternative Financing or any other Financing constituting a replacement permitted by Section 4.19(b), or (ii) any amendment, restatement, supplement, replacement, modification or waiver of the Debt Commitment Letter or the Definitive Financing Documents, in each case, as permitted by Section 4.19(b), the definitions of "Debt Commitment Letter" or "Definitive Financing Documents", as applicable, shall be deemed to have been modified as appropriate to reflect such Alternative Financing, replacement Financing or amendment, restatement, supplement, replacement, modification or waiver, as applicable.

(e) Parent shall keep the Company reasonably informed upon the Company's written request of the status of its efforts to arrange the Financing. Without limiting the generality of the foregoing, Parent shall (i) furnish the Company with executed copies of any amendments, restatements, supplements, replacements, modifications to or waivers of the Debt Commitment Letter, Definitive Financing Documents or Alternative Financing permitted by Section 4.19(b) (with any fee letter redacted in a customary manner to the extent described in Section 3.8(a)) promptly after their execution, and (ii) give the Company prompt written notice (A) of any actual or threatened in writing default or breach (or any event or circumstances that, with or without notice, lapse of time or both, could reasonably be expected to give rise to any default or breach) under, or in repudiation, rescission, cancellation or expiration of, the Debt Commitment Letter or the Definitive Financing Documents by any party thereto, in each case, of which Parent becomes aware, (B) of any termination of the Debt Commitment Letter or reduction in aggregate commitments thereunder, (C) of the receipt by Parent or any Affiliate of Parent of any written notice or other written communication from any Person with respect to (x) a breach of Parent's or any of its Affiliates' obligations under the Debt Commitment Letter or Definitive Financing Documents, or actual or potential default, termination or repudiation by any party to any of the Debt Commitment Letter or Definitive Financing Documents (including any proposal by any Financing Source, lender or other Person to withdraw, terminate, repudiate, rescind or make a material change in the terms of (including the amount of the Committed Financing contemplated by the Debt Commitment Letter) the Debt Commitment Letter), and (y) any material dispute or disagreement between or among any parties to the Debt Commitment Letter or any Definitive Financing Document relating to the initial availability of the Committed Financing or the amount of the Committed Financing to be funded at Closing, and (D) of the receipt by Parent or any Affiliate of Parent of any written notice or other written communication on the basis of which Parent expects that a party to the Committed Financing will fail to fund the Committed Financing or is reducing the amount of the Committed Financing. In the event that Parent commences an enforcement action to enforce its rights under any agreement in respect of the Committed Financing or to cause any Financing Source to fund all or any portion of the Committed Financing, Parent shall keep the Company reasonably informed of the status of such enforcement action upon the Company's written request.

(f) Parent and Merger Sub expressly acknowledge and agree that neither Parent's nor Merger Sub's obligations hereunder, including to consummate the Closing subject to the terms and conditions hereof, are conditioned upon Parent or Merger Sub obtaining the Financing, any Alternative Financing or any other debt, equity or other financing.

ARTICLE V.
CONDITIONS TO EACH PARTY'S OBLIGATION TO EFFECT THE MERGER

5.1 Conditions Precedent to Each Party's Obligations. The obligations of each party to effect the Merger and otherwise cause the transactions contemplated by this Agreement to be consummated are subject to the satisfaction or waiver by Parent and the Company, in whole or in part (to the extent permitted by applicable Legal Requirements), as of the Closing, of each of the following conditions:

(a) Company Stockholder Approval. The Required Company Stockholder Vote shall have been obtained.

(b) Governmental Approvals. (i) Any waiting period (or any agreed upon extension of any waiting period or commitment not to consummate the Merger for any period of time) applicable to the consummation of the Merger under any applicable Antitrust Law identified in Section 5.1(b) of the Parent Disclosure Schedule shall have expired or been terminated by the relevant Governmental Entity, and there shall be no pending agreement between Parent and any Governmental Entity not to close; (ii) any Governmental Authorization required to be obtained with respect to such Antitrust Laws identified in Section 5.1(b) of the Parent Disclosure Schedule shall have been obtained and shall remain in full force and effect; and (iii) any Governmental Authorization required under any applicable FDI Laws identified in Section 5.1(b) of the Parent Disclosure Schedule shall have been obtained and shall be in full force and effect.

(c) Absence of Relevant Legal Restraints. No Legal Requirement or Order shall have been entered, issued or adopted by any court of competent jurisdiction or other Governmental Entity of competent jurisdiction and remain in effect, in either case preventing, enjoining or making illegal the consummation of the Merger (it being understood and agreed by the parties that only a court of competent jurisdiction or other Governmental Entity in the jurisdictions identified in Section 5.1(b) of the Parent Disclosure Schedule shall constitute a court of competent jurisdiction or other Governmental Entity for purposes of this Section 5.1(c)) (each, a "Relevant Legal Restraint").

5.2 Additional Conditions Precedent to Parent's Obligations. The obligation of Parent to cause the Merger to be effected and otherwise cause the transactions contemplated by this Agreement to be consummated is subject to the satisfaction or waiver by Parent, as of the Closing, of each of the following conditions:

(a) Accuracy of Representations. (i) The representations and warranties of the Company contained in Sections 2.2(a), 2.2(b) and 2.8(a) shall have been true and accurate in all respects (other than, with respect to Sections 2.2(a) and 2.2(b) for de minimis inaccuracies) at and as of the date hereof and shall be true and accurate (other than, with respect to Sections 2.2(a) and 2.2(b) for de minimis inaccuracies) at and as of the Closing Date as if made at and as of such time (except to the extent that any such representation and warranty expressly speaks as of a particular date or period of time, in which case such representation and warranty shall be true and accurate, other than, with respect to Sections 2.2(a) and 2.2(b) for de minimis inaccuracies, as of such particular date or period of time); (ii) the representations and warranties of the Company contained in Section 2.1(a), Section 2.4, Section 2.5, Section 2.6(a)(i) (solely with respect to the Company's Organizational Documents), Section 2.22 and Section 2.25 (A) that are qualified by "Company Material Adverse Effect" shall have been true and accurate in all respects and (B) that are not qualified by "Company Material Adverse Effect" shall have been true and accurate in all material respects, in each case at and as of the date hereof and at and as of the Closing Date as if made at and as of such time (except to the extent that any such representation and warranty expressly speaks as of a particular date or period of time, in which case such representation and warranty shall be true and accurate in all respects or in all material respects, as applicable, as of such particular date or period of time); *provided, however*, that, in the case of clause (ii)(B), for purposes of determining the accuracy of such representations and warranties, all materiality and similar qualifications set forth in such representations and warranties shall be disregarded; and (iii) the representations and warranties of the Company set forth in this Agreement (other than those representations and warranties referred to in the foregoing clauses (i) and (ii)) shall have been true and accurate in all respects at and as of the date hereof and shall be true and accurate in all respects at and as of the Closing Date as if made at and as of such time (except to the extent that any such representation and warranty expressly speaks as of a particular date or period of time, in which case such representation and warranty shall be so true and accurate as of such particular date or period of time), except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect; *provided, however*, that, in the case of this clause (iii), for purposes of determining the accuracy of such representations and warranties, all materiality, "Company Material Adverse Effect" and similar qualifications set forth in such representations and warranties shall be disregarded.

(b) Performance of Covenants. The Company shall have complied with or performed in all material respects all of the obligations, covenants and agreements that the Company is required to comply with or perform at or prior to the Closing.

(c) No Company Material Adverse Effect. Since the date of this Agreement, there shall not have occurred any Effects that, individually or in the aggregate, have constituted or resulted in a Company Material Adverse Effect that is continuing.

(d) Certificate. Parent shall have received a certificate, dated as of the Closing Date and executed by the Chief Executive Officer or Chief Financial Officer of the Company, confirming that the conditions set forth in Section 5.2(a), Section 5.2(b) and Section 5.2(c) have been duly satisfied.

5.3 Additional Conditions Precedent to Company's Obligations. The obligation of the Company to effect the Merger and otherwise consummate the transactions contemplated by this Agreement is subject to the satisfaction or waiver by the Company, as of the Closing, of each of the following conditions:

(a) Accuracy of Representations. (i) The representations and warranties of Parent and Merger Sub contained in Section 3.1(a), Section 3.2, Section 3.3(a)(i) (solely with respect to Parent's Organizational Documents) and Section 3.6 (A) that are qualified by "Parent Material Adverse Effect" shall have been true and accurate in all respects and (B) that are not qualified by "Parent Material Adverse Effect" shall have been true and accurate in all material respects, in each case at and as of the date hereof and at and as of the Closing Date as if made at and as of such time (except to the extent that any such representation and warranty expressly speaks as of a particular date or period of time, in which case such representation and warranty shall be true and accurate in all respects or in all material respects, as applicable, as of such particular date or period of time); *provided, however*, that, in the case of clause (i)(B), for purposes of determining the accuracy of such representations and warranties, all materiality and similar qualifications set forth in such representations and warranties shall be disregarded; and (ii) the representations and warranties of Parent and Merger Sub set forth in this Agreement (other than those representations and warranties referred to in the foregoing clause (i)) shall have been true and accurate in all respects at and as of the date hereof and shall be true and accurate in all respects at and as of the Closing Date as if made at and as of such time (except to the extent that any such representation and warranty expressly speaks as of a particular date or period of time, in which case such representation and warranty shall be so true and accurate as of such particular date or period of time), except as would not have, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect; *provided, however*, that, in the case of this clause (ii), for purposes of determining the accuracy of such representations and warranties, all materiality, "Parent Material Adverse Effect" and similar qualifications set forth in such representations and warranties shall be disregarded.

(b) Performance of Covenants. Parent shall have complied with or performed in all material respects all of the obligations, covenants and agreements that Parent is required to comply with or perform at or prior to the Closing.

(c) Certificate. The Company shall have received a certificate, dated as of the Closing Date and executed by the Chief Executive Officer or Chief Financial Officer of Parent, confirming that the conditions set forth in Section 5.3(a) and Section 5.3(b) have been duly satisfied.

ARTICLE VI.
TERMINATION

6.1 Termination. This Agreement may be terminated and the Merger may be abandoned:

(a) by mutual written consent of Parent and the Company at any time prior to the Effective Time;

(b) by Parent or the Company if the Merger shall not have been consummated by 11:59 PM, Pacific Time, on June 25, 2027 (such date and time, as may be extended pursuant to this Section 6.1(b), the “End Date”); *provided, however*, that if, as of the End Date then in effect, any of the conditions to the Closing set forth in Section 5.1(b) or Section 5.1(c) (solely if the applicable Relevant Legal Restraint relates to any Antitrust Laws or FDI Laws) has not been satisfied or waived but all other conditions to Closing set forth in Sections 5.1, 5.2 and 5.3 have been satisfied (other than those conditions that by their nature are to be satisfied at the Closing, so long as such conditions are reasonably capable of being satisfied if the Closing were to occur on the End Date then in effect) or waived, then the End Date shall automatically be extended, without any action on the part of any party hereto, by three (3) months from the End Date then in effect; *provided, further*, that the End Date shall not be automatically extended pursuant to the immediately preceding proviso more than three (3) times; *provided, further*, that if the satisfaction or waiver of the last to be satisfied or waived of the conditions set forth in ARTICLE V (other than those conditions that by their nature are to be satisfied at the Closing, so long as such conditions are reasonably capable of being satisfied if the Closing were to occur on the End Date) occurs less than five (5) Business Days prior to the End Date, the End Date shall be deemed extended to the date that is five (5) Business Days following the date of satisfaction or waiver of the last to be satisfied or waived of such conditions; and *provided, further*, that a party shall not be permitted to terminate this Agreement pursuant to this Section 6.1(b) if the material breach by such party of any of such party’s obligations, covenants or agreements under this Agreement shall have been the primary cause of the failure of the Effective Time to have occurred on or before the End Date;

(c) by Parent or the Company at any time prior to the Effective Time if a Relevant Legal Restraint permanently preventing, enjoining or making illegal the consummation of the Merger shall have become final and non-appealable; *provided, that*, the party seeking to terminate the Agreement shall have used reasonable best efforts to prevent the entry of and to remove such Relevant Legal Restraint in accordance with Section 4.6; and *provided, further*, that a party shall not be permitted to terminate this Agreement pursuant to this Section 6.1(c) if the material breach by such party of any of such party’s obligations, covenants or agreements under Section 4.6 shall have been the primary cause of the events specified in this clause (c);

(d) by Parent at any time prior to obtaining the Required Company Stockholder Vote if the Company Board shall have failed to include the Company Board Recommendation in the Proxy Statement or shall have made a Company Change in Recommendation;

(e) by the Company, at any time prior to obtaining the Required Company Stockholder Vote, in the event that (i) the Company Board shall have authorized the Company to enter into a definitive agreement relating to a Company Superior Proposal; (ii) concurrently with the termination of this Agreement, the Company enters into the definitive agreement relating to a Company Superior Proposal and pays Parent the Company Termination Fee payable to Parent pursuant to Section 6.3(a); and (iii) the Company has otherwise complied in all material respects with the provisions of Section 4.3 and Section 4.5;

(f) by either Parent or the Company if: (i) the Company Stockholder Meeting (including any adjournments and postponements thereof) shall have been held and completed and (ii) the Required Company Stockholder Vote shall not have been obtained;

(g) by Parent if: (i) any of the Company's representations and warranties contained in this Agreement shall be inaccurate such that the condition set forth in Section 5.2(a) would not be satisfied; or (ii) any of the Company's obligations, covenants and agreements contained in this Agreement shall have been breached such that the condition set forth in Section 5.2(b) would not be satisfied; *provided, however*, that for purposes of clauses (i) and (ii) above, if an inaccuracy in any of the Company's representations and warranties or a breach of an obligation, covenant or agreement of the Company is curable by the Company by the End Date and the Company is continuing to exercise reasonable best efforts to cure such inaccuracy or breach, then Parent may not terminate this Agreement under this Section 6.1(g) on account of such inaccuracy or breach unless such inaccuracy or breach shall remain uncured for a period of thirty (30) days commencing on the date that the Company receives written notice of such inaccuracy or breach from Parent; *provided, further*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 6.1(g) if Parent is then in breach of any of its representations, warranties, obligations, covenants or agreements contained in this Agreement, which breach would give rise to the failure of a condition set forth in Section 5.3(a) or Section 5.3(b); or

(h) by the Company if: (i) any of Parent's representations and warranties contained in this Agreement shall be inaccurate such that the condition set forth in Section 5.3(a) would not be satisfied; or (ii) any of Parent's obligations, covenants and agreements contained in this Agreement shall have been breached such that the condition set forth in Section 5.3(b) would not be satisfied; *provided, however*, that for purposes of clauses (i) and (ii) above, if an inaccuracy in any of Parent's representations and warranties or a breach of an obligation, covenant or agreement of Parent is curable by Parent by the End Date and Parent is continuing to exercise reasonable best efforts to cure such inaccuracy or breach, then the Company may not terminate this Agreement under this Section 6.1(h) on account of such inaccuracy or breach unless such inaccuracy or breach shall remain uncured for a period of thirty (30) days commencing on the date that Parent receives written notice of such inaccuracy or breach from the Company; *provided, further*, that the Company shall not have the right to terminate this Agreement pursuant to this Section 6.1(h) if the Company is then in breach of any of its representations, warranties, obligations, covenants or agreements contained in this Agreement, which breach would give rise to the failure of a condition set forth in Section 5.2(a) or Section 5.2(b).

The party seeking to terminate this Agreement pursuant to this Section 6.1 shall give written notice of such termination to the other parties in accordance with Section 7.8 specifying the provision of this Agreement pursuant to which such termination is effected. Notwithstanding anything to the contrary herein, this Agreement may not be terminated after the Effective Time.

6.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 6.1, this Agreement shall be of no further force or effect with no liability to any Person on the part of any party to this Agreement (or any of its Representatives or Affiliates); *provided, however*, that: (a) the penultimate sentence of Section 4.1(a), this Section 6.2, Section 6.3 and ARTICLE VII and the Financing Indemnity shall survive the termination of this Agreement and shall remain in full force and effect; and (b) the termination of this Agreement shall not relieve any party from any liability for any fraud or any intentional and material breach of this Agreement. For purposes of this Agreement, “intentional and material breach” means a material breach that is a consequence of an act undertaken by the breaching party with the knowledge that the taking of such act, or failure to act, would, or would be reasonably expected to, result in a material breach of this Agreement. The Non-Disclosure Agreement, the Clean Team Agreement and the Joint Defense Agreement shall not be affected by a termination of this Agreement.

6.3 Termination Fees.

(a) If this Agreement is terminated by the Company pursuant to Section 6.1(e), by Parent pursuant to Section 6.1(d), or by either Parent or the Company pursuant to Section 6.1(b) or Section 6.1(f) at a time when Parent would have been entitled to terminate this Agreement pursuant to Section 6.1(d), then, within two (2) Business Days after the termination of this Agreement (or, in the case of a termination pursuant to Section 6.1(e) at or prior to termination), the Company shall cause to be paid to Parent the Company Termination Fee.

(b) If this Agreement is terminated by Parent or the Company pursuant to Section 6.1(f), or by Parent pursuant to Section 6.1(g) (or by the Company or Parent pursuant to Section 6.1(b) at a time when this Agreement could have been terminated pursuant to Section 6.1(f) or Section 6.1(g)), and: (i) at or prior to the Company Stockholder Meeting (in the case of a termination pursuant to Section 6.1(f)), or at or prior to the time of the applicable breach by the Company (in the case of a termination pursuant to Section 6.1(g)), any Person shall have publicly announced an intention to make a Company Acquisition Proposal, or a Company Acquisition Proposal shall have been publicly disclosed, publicly announced, commenced, submitted or made and shall not have been publicly withdrawn without qualification at least five (5) Business Days prior to the date of the Company Stockholder Meeting, in the case of a termination pursuant to Section 6.1(f), or the time of such breach, in the case of a termination pursuant to Section 6.1(g); and (ii) on or prior to the date that is twelve (12) months following the termination of this Agreement, either (A) a Company Acquisition Transaction is consummated or (B) a definitive agreement relating to a Company Acquisition Transaction is entered into by the Company or any of its Subsidiaries (it being understood that, for purposes of this clause (B), each reference to “twenty percent (20%)” in the definition of “Company Acquisition Transaction” in Exhibit A shall be deemed to be a reference to “fifty percent (50%)”), then, on the date of the earlier of the consummation of such Company Acquisition Transaction or entering into a definitive agreement relating to a Company Acquisition Transaction, the Company shall cause to be paid to Parent the Company Termination Fee.

(c) If this Agreement is terminated (i) by Parent or the Company pursuant to Section 6.1(b) or Section 6.1(c) (but, with respect to Section 6.1(c), if relating to the matters set forth in Section 5.1(b)), and as of the time of such termination, the only conditions to Closing set forth in Sections 5.1, 5.2 and 5.3 that have not been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, so long as such conditions would have been capable of being satisfied if the Closing were to occur on the date the notice of termination is delivered) are those set forth in Section 5.1(b) and Section 5.1(c) (with respect to Section 5.1(c), if relating primarily to the matters set forth in Section 5.1(b)), or (ii) by the Company pursuant to Section 6.1(h)(ii) due to Parent's or Merger Sub's material breach of Section 4.6 which results in any of the conditions to Closing set forth in Section 5.1(b) and Section 5.1(c) (with respect to Section 5.1(c) if such Closing condition failure relates to the matters set forth in Section 5.1(b)) being incapable of being satisfied by the End Date, then, within two (2) Business Days following such termination, Parent shall cause to be paid to the Company the Regulatory Termination Fee; *provided*, that, the Regulatory Termination Fee shall not be payable pursuant to this Section 6.3(c) if the Company shall have materially breached any of its obligations under Section 4.6 primarily relating to the matters set forth in Section 5.1(b) or Section 5.1(c) (with respect to Section 5.1(c) if relating primarily to the matters set forth in Section 5.1(b)) and such breach shall have been the primary cause of the failure of the conditions set forth in Section 5.1(b) or Section 5.1(c) (with respect to Section 5.1(c), if such Closing condition failure relates to the matters set forth in Section 5.1(b)) to be satisfied by the End Date.

(d) Any Company Termination Fee due and payable by the Company under this Section 6.3 shall be paid by wire transfer of immediately available funds to an account designated in writing by Parent. For the avoidance of doubt, the Company Termination Fee shall be payable by the Company only once and not in duplication even though the Company Termination Fee may be payable by the Company under one or more provisions hereof. If the Company fails to pay the Company Termination Fee when due and payable by the Company, then the Company shall pay to Parent interest on such overdue amount (for the period commencing as of the date such overdue amount was originally required to be paid and ending on the date such overdue amount is actually paid to Parent) at a rate per annum equal to the "prime rate" (as published in The Wall Street Journal) in effect on the date such amount was originally required to be paid, and the Company shall pay the costs and expenses (including reasonable and documented legal fees and out-of-pocket expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken by Parent to collect payment. The parties agree that if the Company Termination Fee becomes payable pursuant to the terms of this Agreement by, and is paid by, the Company, then such Company Termination Fee shall be Parent's sole and exclusive remedy for damages against the Company and its Affiliates and its and their Representatives in connection with this Agreement, and in no event will Parent or any other person seek to recover any other money damages or seek any other remedy based on a claim in law or equity for any reason in connection with this Agreement; *provided, that*, payment of the Company Termination Fee will not relieve the Company from liability for any fraud or any intentional and material breach of this Agreement. Nothing in this Section 6.3(d) or Section 6.3(e) shall limit the rights of Parent, Merger Sub or the Company under Section 7.11 (or otherwise with respect to injunctive or similar relief), in each case prior to the termination of this Agreement.

(e) Any Regulatory Termination Fee due and payable by Parent under this Section 6.3 shall be paid by wire transfer of immediately available funds to an account designated in writing by the Company. For the avoidance of doubt, the Regulatory Termination Fee shall be payable by Parent only once and not in duplication even though a termination fee may be payable by Parent under one or more provisions hereof. If Parent fails to pay the Regulatory Termination Fee, as applicable, when due and payable by Parent, then Parent shall pay to the Company interest on such overdue amount (for the period commencing as of the date such overdue amount was originally required to be paid and ending on the date such overdue amount is actually paid to the Company) at a rate per annum equal to the “prime rate” (as published in The Wall Street Journal) in effect on the date such amount was originally required to be paid, and Parent shall pay the costs and expenses (including reasonable and documented legal fees and out-of-pocket expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken by the Company to collect payment. The parties agree that if the Regulatory Termination Fee becomes payable pursuant to the terms of this Agreement by, and is paid by, Parent, then such Regulatory Termination Fee shall be the Company’s sole and exclusive remedy for damages against Parent, Merger Sub and their respective Affiliates and its and their Representatives and the Financing Related Parties in connection with this Agreement, and in no event will the Company or any other person seek to recover any other money damages or seek any other remedy based on a claim in law or equity for any reason in connection with this Agreement; *provided, that*, payment of the Regulatory Termination Fee will not relieve Parent from liability for the Financing Indemnity or any fraud or any intentional and material breach of this Agreement.

(f) Notwithstanding anything in this Agreement to the contrary, (i) in the event this Agreement is terminated by the Company for any reason at a time when Parent would have had the right to terminate this Agreement and receive the Company Termination Fee, Parent shall be entitled to receipt of the Company Termination Fee that would have been (or would have subsequently become) payable had Parent terminated this Agreement at such time, and (ii) in the event this Agreement is terminated by Parent for any reason at a time when the Company would have had the right to terminate this Agreement and receive the Regulatory Termination Fee, the Company shall be entitled to receipt of the Regulatory Termination Fee, as applicable, that would have been (or would have subsequently become) payable had the Company terminated this Agreement at such time.

(g) Each of the parties acknowledges that the agreements contained in this Section 6.3 are an integral part of the transactions contemplated by this Agreement, and that without these agreements the parties would not enter into this Agreement.

ARTICLE VII.

MISCELLANEOUS PROVISIONS

7.1 Amendment. This Agreement may be amended at any time prior to the Effective Time (whether before or after receipt of the Required Company Stockholder Vote) by an instrument in writing signed on behalf of each of the parties hereto; *provided, however*, after the Required Company Stockholder Vote has been received, no amendment shall be made which by applicable Legal Requirement or regulation of Nasdaq requires further approval of the stockholders of the Company without the further approval of such stockholders.

7.2 Waiver.

(a) Except as otherwise provided in this Agreement, any failure of any of the parties to comply with any obligation, covenant, agreement or condition herein may be waived by the party or parties entitled to the benefits thereof only by a written instrument signed by the party granting such waiver. Any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

(b) No failure on the part of any party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy. No single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy.

7.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement, or contained in any certificate, schedule or document delivered pursuant to this Agreement or in connection with any of the transactions contemplated by this Agreement, shall survive the Effective Time. This Section 7.3 shall not limit any covenant or agreement contained in this Agreement that by its terms is to be performed in whole or in part after the Effective Time.

7.4 Entire Agreement; Non-Reliance; Third-Party Beneficiaries.

(a) This Agreement, the Company Disclosure Schedule, the Parent Disclosure Schedule, the Non-Disclosure Agreement, the Clean Team Agreement and the Joint Defense Agreement constitute the entire agreement and supersede all prior and contemporaneous agreements and understandings, both written and oral, among or between any of the parties with respect to the subject matter hereof and thereof.

(b) Without limiting the generality of Section 7.4(a), except for the representations and warranties expressly contained in ARTICLE II and the certificate delivered pursuant to Section 5.2(d): (i) Parent and Merger Sub acknowledge and agree that the Company has not made and is not making any representations or warranties, express or implied, whatsoever regarding the Company, any of its Affiliates, any of its or their respective Representatives, any of the Company's businesses or operations in connection with this Agreement, any subject matter of this Agreement or any other matter, express or implied, that none of Parent, Merger Sub or any other Parent Subsidiary or any of their respective Representatives is relying on, and none of the foregoing has relied on, in connection with each of Parent's and Merger Sub's entry into this Agreement and agreement to consummate the transactions contemplated hereby or otherwise, any representations or warranties, express or implied, whatsoever regarding the Company, any of its Affiliates, any of its or their respective Representatives, any of the Company's businesses or operations in connection with this Agreement, any subject matter of this Agreement or any other matter, express or implied, except for the representations and warranties expressly set forth in ARTICLE II of this Agreement and the certificate delivered pursuant to Section 5.2(d), and that no Representative of the Company or any other Person has made or is making any such representations or warranties except for the representations and warranties expressly set forth in ARTICLE II of this Agreement and the certificate delivered pursuant to Section 5.2(d); and (ii) without limiting the foregoing, Parent and Merger Sub acknowledge and agree that (x) the Company has not made and is not making any representations or warranties whatsoever regarding, (y) neither the Company nor any other Person will have or be subject to any liability or other obligation to Parent, Merger Sub or their respective Representatives or Affiliates or any other Person resulting from Parent's, Merger Sub's or their respective Representatives' or Affiliates' use of, and (z) none of Parent, Merger Sub, or their respective Representatives has relied on, (A) any forecasts, projections, estimates or budgets discussed with, delivered to or made available to Parent, Merger Sub or to any of their Representatives, or otherwise (including in certain "data rooms," "virtual rooms," management presentations or in any form in expectation of, or in connection with, the transactions contemplated hereby) regarding the future revenues, future results of operations (or any component thereof), future cash flows or future financial condition (or any component thereof) of the Company or any Company Subsidiary or the future business and operations of the Company or any Company Subsidiary or (B) oral or written information made available to Parent or Parent's Affiliates or Representatives in the course of their due diligence investigation of the Company, the negotiation of this Agreement or in the course of the transactions contemplated hereby.

(c) Without limiting the generality of Section 7.4(a), except for the representations and warranties expressly contained in ARTICLE III and the certificate delivered pursuant to Section 5.3(c): (i) the Company acknowledges and agrees that each of Parent and Merger Sub has not made and is not making any representations or warranties, express or implied, whatsoever regarding Parent, Merger Sub, any of their respective Affiliates, any of its or their respective Representatives, any of Parent's businesses or operations in connection with this Agreement, any subject matter of this Agreement or any other matter, express or implied, that none of the Company, its Subsidiaries or any of their respective Representatives is relying on, and none of the foregoing has relied on, in connection with the Company's entry into this Agreement and agreement to consummate the transactions contemplated hereby or otherwise, any representations or warranties, express or implied, whatsoever regarding Parent, Merger Sub, any of their respective Affiliates, any of its or their respective Representatives, any of Parent's businesses or operations in connection with this Agreement, any subject matter of this Agreement or any other matter, express or implied, except for the representations and warranties expressly set forth in ARTICLE III of this Agreement and the certificate delivered pursuant to Section 5.3(c), and that no Representative of Parent or any other Person has made or is making any such representations or warranties except for the representations and warranties expressly set forth in ARTICLE III of this Agreement and the certificate delivered pursuant to Section 5.3(c); and (ii) without limiting the foregoing, the Company acknowledges and agrees that (x) none of Parent or Merger Sub has made and is not making any representations or warranties whatsoever regarding, (y) none of Parent, Merger Sub or any other Person will have or be subject to any liability or other obligation to the Company or their Representatives or Affiliates or any other Person resulting from the Company's or their Representatives' or Affiliates' use of and (z) none of the Company, its Subsidiaries or any of their respective Representatives has relied on, (A) any forecasts, projections, estimates or budgets discussed with, delivered to or made available to the Company or to any of the Company's Representatives, or otherwise (including in certain "data rooms," "virtual rooms," management presentations or in any form in expectation of, or in connection with, the transactions contemplated hereby) regarding the future revenues, future results of operations (or any component thereof), future cash flows or future financial condition (or any component thereof) of Parent or any Parent Subsidiary or the future business and operations of Parent or any Parent Subsidiary or (B) any oral or written information made available to the Company or the Company's Affiliates or Representatives in the course of their due diligence investigation of Parent, Merger Sub, the negotiation of this Agreement or in the course of the transactions contemplated hereby.

(d) Parent, the Company and Merger Sub agree that their respective representations and warranties set forth in this Agreement are solely for the benefit of the other parties hereto, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than Parent, the Company, Merger Sub and their respective successors, legal representatives and permitted assigns any rights or remedies, express or implied, hereunder, including the right to rely upon the representations and warranties set forth in this Agreement, except as set forth in Section 7.7; *provided, that*, prior to the Effective Time, the Company shall have the right, on behalf of the holders of shares of Company Common Stock, Company RSUs, Company PSUs and Company MSUs to pursue claims for damages (which may include damages based on the loss of the economic benefits of the Merger taking into account the amount of Merger Consideration and the loss of premium offered to such holders) under this Agreement in the event of fraud or any intentional and material breach of this Agreement by Parent or Merger Sub to the fullest extent provided by Section 261(a)(1) of the DGCL, it being agreed that in no event shall any such holder be entitled to directly enforce any rights. Without limiting the generality of the foregoing, Parent and Merger Sub acknowledge and agree that any failure of Parent or Merger Sub to cause the Merger to be effective following the satisfaction of the conditions set forth in ARTICLE V will be deemed to constitute an intentional and material breach of this Agreement. The representations and warranties in this Agreement are the product of negotiations among the parties. Any inaccuracies in such representations and warranties are subject to waiver by the parties in accordance with this Agreement without notice or liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties of risks associated with particular matters regardless of the knowledge of any of the parties. Consequently, Persons other than the parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

(e) Notwithstanding the foregoing, nothing in this Section 7.4 shall restrain, limit, restrict or prohibit any claim based on fraud.

7.5 Governing Law; Jurisdiction.

(a) This Agreement is made under, and shall be construed and enforced in accordance with, the laws of the State of Delaware applicable to agreements made and to be performed solely therein (including the procedural laws and the laws relating to the statute of limitations), without giving effect to any law or principle the application of which would result in the law of another jurisdiction governing the terms of this Agreement. Each of the parties hereto: (i) consents to and submits to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware or, if that court does not have jurisdiction, a federal court sitting in Delaware in any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement; (ii) agrees that all claims in respect of such action or proceeding shall be heard and determined in any such court; (iii) shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court; and (iv) shall not bring any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement in any other court. Each of the parties hereto waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other Person with respect thereto.

7.6 Payment of Expenses. Whether or not the Merger is consummated, each party hereto shall pay its own expenses incident to preparing for, entering into and carrying out this Agreement and the transactions contemplated hereby; *provided, however*, that Parent shall pay all filing fees under the HSR Act and under any other applicable Antitrust Laws. Notwithstanding the foregoing, nothing in this Section 7.6 shall limit or apply to the Financing Indemnity or the payments required by Section 6.3.

7.7 Assignability; Parties in Interest. This Agreement shall be binding upon, and shall be enforceable by and inure to the benefit of, the parties hereto and their respective successors and permitted assigns. This Agreement shall not be assignable by any party, in whole or in part, by operation of law or otherwise, without the express prior written consent of the other parties hereto; *provided* that, notwithstanding the foregoing, Parent and Merger Sub may assign any or all of their rights, interests and obligations to wholly owned Subsidiaries of Parent or may assign as collateral security their rights and interests to any lender or agent Financing Sources in connection with the Financing in each case without the prior written consent of any other party; *provided, further*, that no such assignment shall relieve Parent or Merger Sub of any of its obligations hereunder. 7.8 Notices. Any notice or other communication required or permitted to be delivered to any party under this Agreement shall be in writing and shall be deemed properly given and made as follows: (a) if sent by registered or certified mail in the United States, return receipt requested, then such communication shall be deemed duly given and made upon receipt; (b) if sent by nationally recognized overnight air courier (such as DHL or Federal Express), then such communication shall be deemed duly given and made two (2) Business Days after being sent; and (c) if sent by electronic mail, when transmitted (*provided, that*, no “bounce back” or similar message of non-delivery is received with respect thereto (but excluding any “out of office” or similar automatic response)), *provided, that*, such notices, requests, demands and other communications are delivered to the address set forth below, or to such other address as any party shall provide by like notice to the other parties to this Agreement:

7.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit the term or provision, to delete specific words or phrases or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term.

7.10 Counterparts. This Agreement may be executed and delivered (including by facsimile or other form of electronic transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or other electronic delivery shall be sufficient to bind the parties to the terms and conditions of this Agreement.

7.11 Specific Performance. Each of the parties hereto agrees that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that a party hereto may have under law or in equity, in the event of any breach or threatened breach by Parent, Merger Sub or the Company of any covenant or obligation of such party contained in this Agreement, the other parties shall be entitled to obtain (a) an Order of specific performance to enforce the observance and performance of such covenant; and (b) an injunction restraining such breach or threatened breach. In the event that any action is brought in equity to enforce the provisions of this Agreement, no party hereto shall allege, and each party hereto hereby waives the defense or counterclaim, that there is an adequate remedy at law. Each party hereto further agrees that no other party hereto or any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 7.11, and each party hereto irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

7.12 Disclosure Schedules.

(a) The Company Disclosure Schedule has been arranged, for purposes of convenience only, in separate sections and subsections corresponding to the Sections and subsections of ARTICLE II and, as applicable, ARTICLE IV (each section of which qualifies the correspondingly numbered representation and warranty or covenant to the extent specified therein; *provided* that any disclosure set forth with respect to any particular section shall be deemed to be disclosed in reference to all other applicable sections of this Agreement if the relevance of such disclosure to the other section is reasonably apparent on its face). No reference to or disclosure of any item or other matter in the Company Disclosure Schedule shall be construed, in and of itself, as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in the Company Disclosure Schedule. The information set forth in the Company Disclosure Schedule is disclosed solely for purposes of this Agreement, and no information set forth therein shall be deemed, in and of itself, to be an admission by any party hereto to any third party of any matter whatsoever, including any violation of Legal Requirement or breach of any Contract.

(b) The Parent Disclosure Schedule has been arranged, for purposes of convenience only, in separate sections and subsections corresponding to the Sections and subsections of ARTICLE III and, as applicable, ARTICLE IV (each section of which qualifies the correspondingly numbered representation and warranty or covenant to the extent specified therein; *provided* that any disclosure set forth with respect to any particular section shall be deemed to be disclosed in reference to all other applicable sections of this Agreement if the relevance of such disclosure to the other section is reasonably apparent on its face). No reference to or disclosure of any item or other matter in the Parent Disclosure Schedule shall be construed, in and of itself, as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in the Parent Disclosure Schedule. The information set forth in the Parent Disclosure Schedule is disclosed solely for purposes of this Agreement, and no information set forth therein shall be deemed, in and of itself, to be an admission by any party hereto to any third party of any matter whatsoever, including any violation of Legal Requirement or breach of any Contract.

7.13 Certain Financing Provisions. Notwithstanding anything in this Agreement to the contrary, each of the parties hereto, on behalf of itself, its Subsidiaries and each of its controlled affiliates, hereby: (a) agrees that any Legal Proceedings, whether in law or in equity, whether in contract or in tort or otherwise, involving the Financing Related Parties, arising out of or relating to this Agreement, the Financing or any of the agreements (including any applicable commitment letter) entered into in connection with the Financing or any of the transactions contemplated hereby or thereby or the performance of any services thereunder (any such Legal Proceeding, a “Financing Related Proceeding”) shall be subject to the exclusive jurisdiction of any Federal court sitting in the Borough of Manhattan, New York, New York, so long as such forum is and remains available, and if such court does not have subject matter jurisdiction, in any State court located in the Borough of Manhattan, New York, New York, and in each case, any appellate court thereof and each party hereto irrevocably submits itself and its property with respect to any Financing Related Proceedings to the exclusive jurisdiction of such court; (b) agrees that any Financing Related Proceeding shall be governed by the laws of the State of New York (without giving effect to any conflicts of law principles that would result in the application of the laws of another state), except as otherwise provided in any applicable commitment letter or other applicable definitive document relating to the Financing (*provided, however*, that notwithstanding the foregoing, it is understood and agreed that (i) the interpretation of the definitions of “Effect”, “Company Material Adverse Effect” and “Parent Material Adverse Effect” (and whether or not a “Company Material Adverse Effect” or “Parent Material Adverse Effect” has occurred), (ii) the determination of the accuracy of any “Merger Agreement Representations” (as such term or similar term is or may be defined in the Debt Commitment Letter or any Definitive Financing Document) and whether as a result of any inaccuracy thereof Parent, Merger Sub, or any of their respective affiliates have the right to terminate its or their obligations hereunder or decline to consummate the Closing as a result thereof and (iii) the determination of whether the Merger or the Closing has been consummated pursuant to and/or in all material respects in accordance with the terms hereof, shall in each case be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed solely therein (including the procedural laws and the laws relating to the statute of limitations), without giving effect to any law or principle the application of which would result in the law of another jurisdiction governing); (c) agrees not to bring or support or permit any of its controlled affiliates to bring or support any Financing Related Proceeding in any forum other than any Federal court sitting in the Borough of Manhattan, New York, New York, so long as such forum is and remains available, and if such court does not have subject matter jurisdiction, in any State court located in the Borough of Manhattan, New York, New York; (g) agrees that neither the Company nor any of the Company Subsidiaries nor any of their respective affiliates or Representatives (in each case, other than Parent, Merger Sub and their respective Subsidiaries) shall have any rights or claims (and the Company, on behalf of itself, the Company Subsidiaries, their respective affiliates and Representatives hereby waives any such rights or claims) against any Financing Related Party relating to or arising out of this Agreement, the Financing, any commitment letter relating thereto or any of the transactions contemplated hereby or thereby or the performance of any services thereunder, whether in law or in equity, whether in contract or in tort or otherwise; (h) agrees that none of the Financing Related Parties will have any obligation or liability, on any theory of liability, to the Company or any of the Company Subsidiaries or any of their respective affiliates or Representatives (in each case, other than Parent, Merger Sub and their respective Subsidiaries) relating to or arising out of this Agreement, the Financing, any commitment letter relating thereto or any of the transactions contemplated hereby or thereby or the performance of any services thereunder, whether in law or in equity, whether in contract or in tort or otherwise; and (i) agrees that (A) the Financing Related Parties are express third party beneficiaries of, and may enforce, any of the provisions of this Section 7.13, but, in the case of clauses (g) and (h), solely to the extent of actions or omissions by or circumstances relating to such Financing Related Party in its capacity as a Financing Source or other Financing Related Party, it being understood that nothing in this Section 7.13, shall excuse any Financing Related Party from liability in connection with actions or omissions by or circumstances relating to such Financing Related Party in any other capacity (including in its capacity as an existing creditor of the Company or any Company Subsidiary), and (B) such provisions and the definitions used in this Section 7.13 (as used in such section) shall not be amended, waived or otherwise modified, in each case, in any way adverse to the Financing Related Parties without the prior written consent of the Financing Sources (and such amendment, waiver or modification without such prior consent shall be null and void). The provisions of this Section 7.13 shall survive any termination of this Agreement.

onsemi and Synaptics Announce Revised Merger Agreement*Revised Terms to Deliver Higher onsemi Shareholder Value through Immediate EPS Accretion**Amended Agreement Follows Thorough Review of Unsolicited Competing Proposal*

SCOTTSDALE, Ariz. and SAN JOSE, Calif. – Oct. 1, 2026 – onsemi (NASDAQ: ON) and Synaptics Incorporated (NASDAQ: SYNA) ("Synaptics") today announced they have amended their June 25, 2026 merger agreement. The amendment follows an unsolicited competing proposal received from a third party.

Under the revised agreement, onsemi will acquire Synaptics for \$123 per share in cash for an aggregate value of approximately \$5.7 billion as compared to approximately \$7 billion for the prior agreement. The transaction is expected to be immediately accretive to onsemi's non-GAAP earnings per share and provides value certainty for Synaptics' shareholders.

"As was the case when we initially announced the acquisition, Synaptics addresses an important aspect of our strategic direction, and we believe the revised merger agreement represents a more financially attractive transaction for our shareholders," said Hassane El-Khoury, President and CEO of onsemi. "The all-cash transaction delivers higher value to our shareholders through lower total cost consideration, and we now expect the transaction to be immediately accretive to non-GAAP EPS upon closing. In addition, we have identified incremental opportunities to create shareholder value beyond the previously announced \$200 million of annual run-rate synergies. These additional benefits from revenue synergies and insourcing of a portion of Synaptics' production are expected to be realized after the initial 18 months post-close, further strengthening the long-term earnings and cash flow profile of the combined company."

El-Khoury continued, "Synaptics is accretive to our long-term model, with a strong growth outlook and attractive gross margin profile that will help accelerate onsemi's evolution. Additionally, Synaptics complements growth in our AI data center business, and brings to onsemi its highly profitable human-machine interface, and sensing products businesses that generate strong and predictable cash flows, providing the combined company with a durable funding engine to accelerate its connected compute capabilities."

After careful review with its financial and legal advisors, the Synaptics Board unanimously determined that the onsemi transaction, as amended, continues to be in the best interests of Synaptics and its shareholders.

"Our Board has been singularly focused on delivering the best outcome for our shareholders, and today's amended agreement reflects that commitment," said Rahul Patel, Synaptics President and CEO. "By transitioning to an all-cash structure, we are providing value certainty at a meaningful premium as compared to current value. We are confident this path is the right choice for our shareholders."

The transaction will be financed through a combination of cash on hand and committed financing. onsemi has obtained fully committed debt financing from Morgan Stanley. The amended merger agreement does not include a closing condition related to onsemi's financing.

The transaction is still expected to close by mid-2027, subject to approval by Synaptics shareholders, the receipt of required regulatory approvals and other customary closing conditions. The transaction has been approved by the United States Federal Trade Commission, and regulators in other jurisdictions are reviewing the transaction.

SYNA Amended Offer All-Employee Email

Subject: Today's Announcement: An Amended Agreement with onsemi

Team #OneSynaptics,

I am writing to share an update regarding the acquisition of Synaptics by onsemi. Moments ago, we announced that Synaptics has amended its merger agreement with onsemi. Under the amended terms, Synaptics shareholders will receive \$123 in cash for each share of Synaptics common stock held at the time of closing, which provides higher value and value certainty to our shareholders.

We recognize that today's announcement may raise questions about what has changed and how we arrived here. We entered our agreement with onsemi back in June, confident in the transaction's reflection of the strength of our business model, our technology portfolio and our leadership position in intelligent edge processing and wireless connectivity. We believe the revised offer reflects onsemi's continued conviction in our business, our products and our people.

The amended merger agreement was negotiated following the receipt of an unsolicited, non-binding proposal from a third party bidder. The Synaptics Board of Directors carefully evaluated that proposal, alongside our financial and legal advisors and in accordance with well-established governance procedures and the previously announced agreement with onsemi, and concluded that the onsemi transaction, as amended, continues to be in the best interests of Synaptics and its shareholders.

As we've discussed since we initially launched our transaction with onsemi in June, we are excited about all of the opportunities we see ahead for our combined company. And while the terms of our agreement have changed, the strategic rationale for bringing Synaptics and onsemi together remains the same. Together, as a differentiated intelligent-edge platform, we expect to accelerate innovation, increase system-level content and deepen customer relationships across attractive growth markets.

Looking ahead, we remain on track to complete our transaction with onsemi by mid-2027, subject to approval by Synaptics shareholders, the receipt of required regulatory approvals and other customary closing conditions. Until then, onsemi and Synaptics will continue to operate as separate, independent companies.

I want to be clear that the process leading to this announcement reflects the strength of Synaptics and the business all of you have worked so hard to build. I understand some of you may have questions about this amended agreement and what it means for you. To answer some of your questions, we have included a brief FAQ below this email.

Thank you for your continued focus, professionalism and commitment to Synaptics. I am incredibly proud of what we have accomplished together, and I hope you share in my enthusiasm for our exciting future working alongside onsemi.

Best regards,
Rahul
