## **Synaptics to Showcase Industry Leading SmartPhone, Tablet and PC Solutions at 2013 Computex Taipei**

### **Demonstrations to Include Innovative Human Interface Solutions That Drive Next-Generation Touch-Based Computing in Consumer Electronics**

SANTA CLARA, Calif., May 30, 2013 /PRNewswire/ -- Synaptics Inc. (NASDAQ: SYNA), a leading developer of human interface solutions, today announced it will be showcasing the latest in touch technologies at the [2013 Computex Show](#) in Taipei, Taiwan. An expansive mobile device lineup equipped with Synaptics' [ClearPad®](#) family of capacitive touchscreens solutions will be on display alongside the latest [TouchPad™](#) and [ThinTouch®](#) solutions designed for the PC and tablet markets.

Synaptics harnesses its innovation-driven culture and deep systems-level engineering expertise to deliver the industry's most advanced touch technologies, enhancing how consumers interact with today's electronic devices. These technologies have now shipped in more than one billion devices from the world's top-tier OEMs. Devices featured at Computex will include:

#### **Notebook PC**

- Lenovo Z400 featuring Synaptics TouchPad and 14.1" ClearPad touchscreen solution
- TouchPad family of interface solutions in devices from Dell, HP, and Samsung
- External TouchPad solutions from Dell, HP and Logitech
- ForcePad™ and ThinTouch keyboard implementations

#### **SmartPhones and Tablets**

- Samsung Galaxy S4 featuring Airview
- Huawei Ascend P2, Pantech Vega Iron and Oppo R809T featuring In-cell technology
- Nokia 820 and 920 Lumia smartphones, featuring glove support
- Google Nexus 4 and HTC One flagship smartphones
- Samsung Note 8, Sony Xperia Z and Razer Edge tablets

To experience the latest in human interface technology, customers and suppliers are encouraged to contact their Synaptics partner to arrange a meeting time in Synaptics' private suite at Computex in Taipei from June 4-8, 2013 (Grand Hyatt Taipei, Suite 1141). Media are encouraged to contact [synaptics@text100.com](mailto:synaptics@text100.com) to arrange a meeting time.

#### **About Synaptics**

As a leading developer of human interface solutions which enhance the user experience, Synaptics provides the broadest touch solutions portfolio in the industry. The ClearPad™ family supports touchscreen solutions for devices ranging from entry level mobile phones to flagship premium smartphones, tablets and notebook PCs. The TouchPad™ family, including ClickPad® and ForcePad™, is integrated into the majority of today's notebook PCs. Synaptics' wide portfolio also includes ThinTouch® supporting thin and light keyboard solutions, as well as key technologies for next generation touch-enabled video and display applications.
