State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Synaptics Incorporated (the "Registrant") requires additional time to file its Annual Report on Form 10-K for the year ended June 30, 2007 (the "Report"). Effective with the fiscal year ended June 30, 2007, the Registrant became a large accelerated filer and, as such, is required to file the Report within 60 days of its fiscal year end, a period 15 days shorter than the period required for the Registrant's last fiscal year. The Registrant has expended considerable time and

internal resources preparing its financial statements to meet this accelerated deadline, however, due to unforeseen delays the Registrant requires additional time in order to complete the necessary supporting documentation and procedures to ensure adequate disclosure. The Registrant is unable to complete and file the Report within the prescribed time period without unreasonable effort or expense. The Registrant expects to file the Report within the prescribed period allowed by Rule 12b-25.
