## Synaptics to Present at J.P. Morgan Tech Forum

SAN JOSE, Calif., Dec. 30, 2014 /PRNewswire/ -- Synaptics, Inc. (Nasdaq: SYNA), a leading developer of human interface solutions, today announced that members of the executive management team will present to the investment community at the J.P. Morgan Tech Forum at CES 2015 on Tuesday, January 6, 2015 at 9:00 a.m. Pacific Time. The event will be held at the Bellagio Hotel in Las Vegas, NV.

The presentation may include forward-looking information. An audio webcast of the event will be made available on the "Webcasts & Events" page of Synaptics' Investor Relations website at <http://investor.shareholder.com/synaptics/events.cfm>.

### About Synaptics

A leading developer of human interface solutions, which enhance the user experience, Synaptics provides the broadest solutions portfolio in the industry. The portfolio includes Display Driver ICs (DDICs) which drive high-performance displays for smartphones and tablets. The ClearPad<sup>®</sup> family supports touchscreen solutions for devices ranging from entry-level mobile phones to flagship premium smartphones, tablets, and notebook PCs. The TouchPad<sup>™</sup> family, including ClickPad<sup>®</sup> and ForcePad<sup>®</sup>, is integrated into the majority of today's notebook PCs. Natural ID<sup>™</sup> fingerprint sensor technology enables authentication and mobile payments for smartphones, tablets, and notebook computers. Synaptics' broad portfolio also includes ThinTouch<sup>®</sup>, supporting thin and light keyboard solutions, as well as key technologies for next generation touch-enabled video and display applications. (NASDAQ: SYNA) [www.synaptics.com](http://www.synaptics.com).
